ECHO Certificates of Attendance FAQs

Certificates of Attendance are available for participants of any UW ECHO network. Certificates will be sent to participants in January (for fall sessions) and June (for spring sessions). You will earn 1.25 contact hours for each session you attend (1.5 contact hours for Act Early, Autism for Rural Healthcare Providers, and SCOPE (Supporting Children of the OPioid Epidemic)).

To receive a certificate, you will need to complete the following:

Fall Semester Sessions

1. Complete the UW ECHO pre-test. A link will be emailed to participants following the first ECHO session attended.
2. Attend live UW ECHO sessions and submit corresponding session evaluations.
3. Certificates will be emailed by Friday, December 19, 2025.

Spring Semester Sessions

1. Attend live UW ECHO sessions and submit corresponding session evaluations.
2. Complete the post-test for each network attended. The post-tests will become available in early May. A link will be emailed to all participants.
3. Certificates will be emailed by Friday, June 5, 2026.

How do I register to receive a Certificate of Attendance?
All UW ECHO participants will receive a certificate of attendance for attending the live session and completing the session evaluation. There is no formal registration process and the UW ECHO team will track your attendance and evaluation completion.

How many certificates will I receive?
You will receive one certificate per ECHO program (network) each semester which lists all of the sessions you attended for that series. Certificates for all fall sessions will be awarded in December. Certificates for all spring sessions will be awarded in late May/early June.
Example: If you attend (and complete session evaluations for) 5 fall sessions for ECHO in Student Health and 3 fall sessions for ECHO in Assistive Technology (AT), you will receive one certificate listing all 5 ECHO in Student Health sessions and one certificate listing all 3 ECHO in AT sessions.

How much is the credit fee?
There is no cost - it's free!

Can I earn certificates of attendance for watching past session recordings?
No. We are unable to award credit for viewing past session recordings.

Updated for the 2025-2026 academic year.
