

Dear Secondary MLP Teachers,

We hope this message finds you well. We are excited to announce the preview of the new SYNC/NGL platform, which promises to revolutionize the way we work and collaborate. To ensure that everyone can make the most of this powerful tool, we are organizing an introductory comprehensive training session via Zoom with our Cengage trainer on Tuesday, April 16, 2024, at 4:15 PM (see below for Zoom Information). The training will cover:

1. Overview of the platform features
2. How to localize instructional materials
3. Phonics for adolescent learners
4. Data management
5. Troubleshooting common issues
6. Team feedback and suggestions

We believe this introductory session to the platform will get you ready for the "Face to Face -Summer Training in July. Your participation is crucial in making this transition smooth and successful.

Looking forward to a productive and engaging meeting.

Best regards,

Blanca and Katherine
