College Council – Winter 2024

January 25, 3:30 – 4:35 pm

GOVERNANCE TEAM	REPORT
ACADEMIC SENATE	Academic Senate held its first meeting on 1/22/24 this quarter due to the MLK Jr. holiday the previous week. Current topics include updates to our curriculum processes, discussions about regular and substantive interaction, and Measure G updates. The Academic Senate has also started a membership drive with the hopes of recruiting 200 new faculty as active members, with all new dues collected this year directly benefiting student scholarships.

CURRICULUM	The Curriculum Committee is working to address program and course proposals with a new process to identify any potential challenges or opportunities early in the planning process. We are also beginning work on updating GE patterns to align with the new CALGETC directives, due to be effective no later than Fall 2025. Our transition to eLumen is effectively complete, with new

	and revised curriculum working its way through this system for the second time. We continue to collect feedback and monitor data
DALA De Anza Latinx Association	DALA will be holding a Valentine’s Day fundraiser, selling “Concha” bouquets and boxes. We will be taking pre-orders with a form and flier starting next week. On Feb 14th we will be tabling outside for day of purchases along with HEFAS.
DASG De Anza Student Government	The DASG Finance Committee approved their recommendation for the DASG Budget. The Senate will begin budget review and deliberations starting next week. Student Elections will also be happening this quarter, and we are promoting and recruiting for all Executive positions. Election Informational sessions will continue into the winter quarter. Winter Quarter Plans: Continue looking into class modality data, work on External Shared Governance DASG Internships for all students, collaborate with campus organizations, and improve DASG outreach.
