

Molokai Holokai 2026

Maui to Molokai — Participant List by Division

Overall Counts

Category	Count
Total M2M Participants	232
Solo Athletes	222
Team Captains	5
Team Members	5

Tracker Count

Tracker Group	Trackers Needed
Solo Athletes (1 each)	222
Team Boats (1 per Team Captain)	5
Total Trackers Needed	227

*Note: Only solo athletes and Team Captains receive trackers (1 per boat, assigned to the Captain) — Team Members do not get their own tracker. Location shows State for US participants and Country code for international participants. *Namakaokaaina Ross (bib 232) has Country listed as "UM" but City/State show Kaunakakai, HI — likely a registration dropdown glitch, shown here as HI. Flag for follow-up: Erika Espaniola (bib 227) is registered as Team Captain of the "Adult 4 Person Relay (OC1)" crew, but no team members have registered under her yet — confirm the other 3 crew members get added. Bibs 12 & 13 (Mendoza / Wallace) are both listed as "Team Captain" on the same confirmation — likely a single Junior crew, not two separate boats. Joy Brahmst's Adult OC2 crew (bib 215) also shows 4 team members (Christensen, Pedro, Desilets, Kaholoaa), more than a standard OC2 pairing — worth confirming before race day.*
