

Your Title Parent Newsletter

CHECKING & LINEAR EQUATIONS | MONTH, YEAR

Any spaces highlighted in yellow should be personalized for your class. We recommend keeping this newsletter to two pages with minimal text.

Include general updates here that may be of interest to parents (ie. end of marking period)

Our Students Learning in Action

This area is a dedicated space for teachers to insert a picture of students learning in action or a hyperlinked image of an engaging game or interactive.

FinCap Friday: Payment Apps & Protection Gaps

Conversation Starters with Your Child

It's important to talk to your own child about money, but it's not always easy. [CLICK HERE](#) for a few simple suggestions for **HOW** to approach the conversation. Below are a few ideas to start the conversation with linked resources on each graphic to brush up on the topic.

VIDEO

A bank account offers many benefits. Here's my experience with banking. [Consider sharing your perception of banks, what type of account(s) you have, and what financial services are in your area]

Brush up on the topic:

ARTICLE

Banking fees can add up. Here are the fees I look out for and how I try to avoid them.

Many bills can be paid online. Here are some of the regular bills we pay and how we pay them. These strategies can help you avoid missing payments.

Brush up on the topic:

Addressing Common Student Misconceptions

MYTH Of course, I'll sign up for overdraft protection - it will prevent me from overdrawing my account & paying fees!

FACT The term is misleading - with overdraft protection, you are actually charged a fee when you overdraw! The average overdraft fee is \$35. Some banks may actually reorder your transactions in a single day so you incur the maximum amount in fees.
