LET IT BEGIN WITH Kindermusik®

Level 4: Review Week

Grownups, we worked really hard on learning where notes C-A-F are located on the treble clef staff by rolling our monkey stuffed animals on our floor staff.

Pull out the music staff in your home materials and ask your child to locate those notes by placing their chips on the 1st, 2nd and 3rd spaces.

The children are very excited to perform a concert for you this week, so make sure you pull out all the stops in your living room!

Let them wear their best and record it to show them later!

While you're at it, we would love for you to share it with us at **Busybeatsmusic@gmail.com** or you can tag us on social media at **@busybeatsmusicstudio**
