76

Pitching Velocities:

Strengths as a Player

My strengths as a player is most importantly my dedication and hard work that I put into the game, and the fact that I give 110% in every practice, game, or showcase. Also, I am very versatile and can play many positions on the field.

Baseball Background

In the past, I have played for Team Missouri, St. Louis Naturals, Easton Tigers, and I am currently playing for the Stl Gamers.

Academic Background

GPA: 4.1

ACT/SAT:

Class Rank: Top 10%

Extracurricular Activities & Hobbies

I play football during the offseason.

Other

My commitment to compete at the next level is not only on the field, but I am equally committed to my academics. It is extremely important to me to find a program that will allow me to further my education, all while playing the game that I love.
