The Farragut Compact

As we begin the school year, we are reminded of the magic of this community. It has been created over many years by many, many wonderful people. In their honor, we carry the torch and continuously improve our student's experience. It takes a village to raise the next generation, requiring us all to commit to the following shared expectations.

This pledge contains three promises, one from the school, one from the parent/guardian, and one from the student. By signing this, you are committing to the goal of supporting ALL of our Foxes to reach their full potential. Thank you!!

As a Parent/Guardian I pledge...

***P*erseverance** *to seek solutions through adversity so that ALL students in this village can reach their potential and help our community to make this world a better place.*

***A*ccountability** *for all expectations in the Parent/Student Handbook and, with honesty and integrity, including my child's **Digital Citizen Promise,** I will take responsibility for all mistakes made by my student or myself so that we can learn and grow in this community.*

*to **W**ork Together with the school and other families to bring joy, new experiences and a sense of belonging to ALL of the students, staff and families.*

***S*elf-Control** *in handling concerns with other students, staff and parents because I know all of us come to this community with good intentions.*
