

Team Name: Crazy Recipes

Report Number: 10

Reporting Week: 10 (Week of March 19^h, 2023)

Summary of work completed in prior week:

This week was a break week, so progress was mostly focused on preparing for work on the backend implementation. This will be the primary focus for the next few weeks, in addition to our SQL database and of course, tying everything together.

Summary of work planned for next week:

Next week will primarily focus on developing the backend. However, other areas such as the frontend will receive changes where needed.

Open issues and action plan to resolve them:

There are no issues at this time.
