

Eastlake High School
1810 Eastlake Blvd. Colorado Springs, CO 80910
(719)300-8947

Dear Parents,

We will be making our school during the AM Sesison a phone-free space to improve teaching and learning using a system called [Yondr](#). Yondr has been implemented in over 1,000 schools across 21 countries to facilitate an engaged learning environment.

We believe that phones have great utility. We have also found that learning and social behavior improve drastically when students are fully engaged with their teachers and classmates.

The Yondr Program utilizes a simple, secure pouch that stores a phone. Every student will secure their phone in a personally assigned Yondr pouch when they arrive at school. Students will maintain possession of their phones and will not use them until their pouches are opened at the end of the school day. Students are responsible for their pouch during the school day only.

We received responses to our annual surveys from over 1,200 school partners, and after implementing the Yondr Education Program:

- **84% saw a change in student engagement**
- **72% saw a positive change in student behavior**
- **68% saw a positive change in academic performance**

Of our most recent impact survey of over 370 of our school partners:

- **86% saw a positive impact in student safety and wellness**

If you have any questions, please do not hesitate to contact the school directly at 719-300-8947, or attend one of our upcoming Board meetings about the adoption of Yondr. The next EHS Board meeting will be held on Wednesday, February 21, 2023 at 5:30 PM. However, if you do not want to wait that long, please feel free to email me at cjberry@eastlakehs.net.

If there is an emergency and you would like to get in contact with your child, please reach out at 719-300-8947.

In an effort to best serve your child, we appreciate your full support in adoption of the Yondr Program at our school. This program will begin on Tuesday, February 20, 2024.

Thank you,
Cassandra Berry (she/her)
Principal, Eastlake High School

How Yondr Works

As students enter school, they place their phone in their assigned Yondr Pouch.

Students close and secure their Pouch, keeping it on them throughout the day.

When leaving school, students tap their Pouch on a Base to retrieve their phone.

Frequently Asked Questions

What if I want to reach my child during the school day?

We want our students to be engaged in their learning. If you need to contact your child during the school day, contact the main office at 719-300-8947.

What if there is a school emergency?

In case of a school emergency, we direct our students to safety first, following our school emergency preparedness protocol

Will my student's phone be safe?

Students are in possession of their phone - in their Yondr pouch - for the entire school day. We will advise students to store the pouch in their backpacks where it is completely safe.

What if the Yondr pouch gets damaged or a student is caught on their phone?

The Yondr pouch is property of Eastlake High School. If a student damages their Pouch or is caught on their phone, Administration will collect the phone/Pouch and call home:

- The parent will have to come to the school and pick up the phone.
- the student will need to complete community service for damaging the pouch.

Note: Damage consists of any signs that the physical integrity of the pouch has been compromised, whether intentional or unintentional, as determined by the school or Yondr staff.
