Guidelines

1. I will be taking packages (Time, Tune, Mix).
2. I will inform you when I start to work on it, and you will receive the work I did. Give me feedbacks and points you want me to change/fix/adjust until you are satisfied with the product.
3. Once the work is done and payment has been sent, I will keep the program file for 7 days for any changes you might need. The file will be deleted after 7 days.

Pricing

1 - 4 vocalists: \$24

5+ vocalists: \$28

Only mix/master: \$10 (Yes time and tune drains me the most that's why)
