

# Worthington Independent School District 518

## Essential Outcomes & Student Learning Targets

Standards define expectations for the educational achievement of all students. The Essential Outcomes listed below were determined through a process of evaluating standards based on; endurance, leverage, readiness, and "high testing value." A learning target describes the standard from a student's point of view.

Team SMART Goal (Based on a quarter or trimester):

Rationale for SMART Goal (Why did the PLC select this SMART goal?):

Below is a summary of the Essential Outcomes and learning targets for the listed grade/team and subject.

<b>Grade/Team:</b> 4	<b>Subject:</b> Digital Citizenship
----------------------	-------------------------------------
