19:14:47 From Rose Colacino (she/her) Indivisible Illinois to Everyone:

Welcome Anne - here is the Agenda: <http://bit.ly/IL-INDIVISIBLE-AGENDA>

19:15:56 From Teri Watkins to Everyone:

It is important to see what anti-democrats are saying.

19:16:02 From Rose Colacino (she/her) Indivisible Illinois to Everyone:

Thanks for the link Ali!

19:16:15 From Candace Davis to Everyone:

I think it's a smart and brave thing to do!

19:16:27 From Betsy Rubin to Everyone:

Is there a website or social media page for The Radio Project?

19:18:08 From Leni, she/her to Everyone (in Waiting Room):

Sarah bingaman and Ben Joravsky

19:18:49 From Rose Colacino (she/her) Indivisible Illinois to Everyone:

Thanks for working on that Sarah! Our radio star on all sides!! You need an agent Sarah.

19:19:13 From Marci Adelston-Schafer to Everyone:

I second Rose!

19:19:42 From Indivisible Illinois to Everyone:

talkradiogroup@gmail.com

19:20:16 From Betsy Rubin to Everyone:

Thanks for the email address. Is there any website or other social media presence where we can read about the radio project?

19:21:34 From Indivisible Illinois to Everyone:

If you contact the Talk Radio Group, just indicate that you heard about them via Indivisible Illinois. Rosie Rees leads the group. She is one of us.

19:22:51 From Betsy Rubin to Everyone:

OK thanks for that info, Sarah. So it's a local not a national effort then?

19:26:08 From Indivisible Illinois to Everyone:

It reminds me of Adam Kinzinger getting awards from fake health organizations to make it seem that he was in favor of health care in our district.

19:26:27 From Candace Davis to Everyone:

19:30:08 From Rose Colacino (she/her) Indivisible Illinois to Everyone:

Betsy, I thought it was a national campaign. Sarah, can you clarify?

19:30:45 From Marci Adelston-Schafer to Everyone:

This is scary that there are 10 PR agencies that specialize in lying to us all.

19:31:04 From Candace Davis to Everyone:

Marci - it is really distressing!

19:31:57 From Indivisible Illinois to Everyone:

The Talk Radio group? Yes. We meet with people from all over the US on Sunday nights.

19:32:14 From Rose Colacino (she/her) Indivisible Illinois to Everyone:

Thanks Sarah!

19:34:28 From Marci Adelston-Schafer to Everyone:

I have shared several of your Truth Brigade posts, both from Candace and Etta. Thank-you for keeping those posts public. You both rock.

19:35:01 From Betsy Rubin to Everyone:

Thanks. I think the key would be to make those posts public, not friends only -- if one is ready to have trolls respond and also reveal oneself more generally.

19:35:38 From Marci Adelston-Schafer to Everyone:

Betsy, I make certain posts like that public.

19:35:49 From Etta Worthington to Everyone:

19:40:21 From Betsy Rubin to Everyone:

Note: Is everyone supposed to have edit access?

19:40:56 From Betsy Rubin to Everyone:

I can only view. That's OK bc I can type separately -- I might have misunderstood the assignment? 😊

19:44:14 From Indivisible Illinois to Everyone:

A healthy economy depends on a healthy climate. We know the devastating effects of fires, storms, and floods.

19:44:35 From Indivisible Illinois to Everyone:

We know the devastating costs of fires, storms, and floods.

19:44:43 From Marci Adelston-Schafer to Everyone:
 Etta, I was going to ask about putting @Facebook, to call them out where they are tagged. I see you are doing that.

19:46:15 From Indivisible Illinois to Everyone:
 However, a few bad actors are spreading serious disinformation about the climate crisis. @Facebook must block these sites that spread lies.

19:46:31 From Rose Colacino (she/her) Indivisible Illinois to Everyone:
 Hi Thomas, welcome. Here is our full agenda for tonight and the notes I have been taking:
 Agenda: <http://bit.ly/IL-INDIVISIBLE-AGENDA>

19:46:59 From Betsy Rubin to Everyone:
 It's really important to be sure you are tagging "the right Facebook"! There are a bunch of pages that use Facebook in name but may not BE Facebook

19:48:54 From Marci Adelston-Schafer to Everyone:
 A healthy climate is the only way to have a continually healthy economy. But there are those who say we will lose jobs by ending coal use. But we know that green jobs will make the economy stronger.

19:49:51 From Betsy Rubin to Everyone:
 The Facebook COMPANY's page is now <https://www.facebook.com/Meta>

19:50:02 From Rose Colacino (she/her) Indivisible Illinois to Everyone:
 Welcome Melissa!

19:50:35 From Betsy Rubin to Everyone:
 And you CAN tag @Meta on FB

19:50:55 From Marci Adelston-Schafer to Everyone:
 Good to know, Betsy.

19:51:27 From Betsy Rubin to Everyone:
 There's also a page called Facebook App, which has a blue checkmark, so I assume it is actually FB. <https://www.facebook.com/facebookapp/>

19:51:39 From Betsy Rubin to Everyone:
 And you can tag them also

19:51:41 From Teri Watkins to Everyone:
 Of course Betsy, it wouldn't be Meta if one couldn't tag them

19:52:42 From Marci Adelston-Schafer to Everyone:
 You don't know who is out there. And you may never know who you are influencing.

19:53:28 From Leni, she/her to Everyone:

19:55:57 From Betsy Rubin to Everyone:

We need a healthy climate as well as a healthy economy. But @FacebookApp allows the “Toxic Ten” to deliberately spread lies and misinfo about the climate crisis. Facebook (@Meta) needs to stop disinfo that puts our children and grandchildren at risk! #COP26 #TruthBrigade

Read about the Toxic Ten here: <https://www.counterhate.com/toxicten>

19:56:25 From Indivisible Illinois to Everyone:

20:09:31 From Indivisible Illinois to Everyone:

20:11:13 From Jessica Motsinger to Everyone:

20:13:10 From Scott Cross to Everyone:

The White House has estimated that in Illinois, "there are 2,374 bridges and over 6,218 miles of highway in poor condition." According to an analysis by the Illinois Democratic senators, Dick Durbin and Tammy Duckworth, and the White House, the Illinois impact over five years is: \$1.7 billion to "improve drinking and wastewater infrastructure throughout Illinois," building on legislative proposals Duckworth has been leading. \$9.8 billion for federal highway projects. \$1.4 billion for bridge replacement and repairs. Plus the state could get more if successful in competitive grants. About \$4 billion "to improve public transportation options across the state." At

least \$100 million for broadband coverage across the state. At present, there are about 228,000 Illinoisans who currently do not have broadband. About 2.9 million low-income Illinoisans would get an internet access benefit. Approximately \$616 million for airport improvements. Under a new Airport Terminal Improvement program, a \$5 billion funding po

Good evening everyone. Leslye Lapping, Indivisible Evanston joining the group.

19:44:46 From Marci Adelston-Schafer to Everyone:
1 to 1. I had friends who had never registered to vote, until I registered them in 2018. They just never thought it was that important. Education is key. You are so right, Kanittha

19:45:13 From Marci Adelston-Schafer to Everyone:
BTW, those friends were in there 60s.

19:45:45 From Marci Adelston-Schafer to Everyone:

19:47:54 From Teri Watkins to Everyone:
Thank you Kanitha

19:48:16 From Terry Maher to Everyone:
This was really great, Kanittha! If we can't get registered voters to the polls, all the registration doesn't matter. You're so right--it's got to be an emotional act, not an intellectual one. Thanks so much!!!

19:48:46 From Leni, she/her, Indivisible Illinois to Everyone:
Sarah with a question

19:49:07 From Terry Maher to Everyone:
We need to put on a huge local education effort to explain to voters why all the little down-ballot elections are important to a voter's concerns.

19:49:34 From Marci Adelston-Schafer to Everyone:
totally agree, Sarah

19:50:13 From Marci Adelston-Schafer to Everyone:
I agree. Terry

19:50:43 From Marci Adelston-Schafer to Everyone:
YES!!

19:50:56 From Terry Maher to Everyone:

Yes, we even need to show some voters what it's like to actually fill out a ballot, even what it looks like inside a polling place. The unknown can be scary.

19:52:06 From Marci Adelston-Schafer to Everyone:
Good idea. We should go out and ask voters.

19:54:04 From Terry Maher to Everyone:

That's why they need to know how important county board, city clerk, sheriff, etc. offices are. These offices often affect their lives more than the big state or national races.

19:55:32 From Leslye Lapping to Everyone:

I also heard a lot of voters say that their vote doesn't matter. But, the fact is, you never know when a race is going to be close and your vote does matter. I worry that they think they are not important.

19:56:11 From deena keel to Everyone:

Down state it is more fear of intimidation...

19:56:47 From Scott Cross to Everyone:

Welcome, excited to have you

19:57:39 From Indivisible Illinois to Everyone:

Deena Keel - Exactly. One more reason for vote by mail. We have had voters in primaries have a difficult time getting Democratic ballots.

19:58:03 From Betsy Rubin to Everyone:

20:50:27 From Marci Adelston-Schafer to Everyone:

Dear _____

My name is _____. I am a volunteer from Indivisible Illinois. And I am writing to invite you to Indivisible Illinois' Free Convening on Saturday November 13 from 1-5 pm.

What is a Convening, you say? An exhilarating get-together of progressive activists! Via Zoom, we'll hear from dynamic speakers, talk about issues that concern us, and get revitalized to work for the 2022 election. We need to be energized to get as many voters out as we can.

This Convening will be even more powerful with **NATIONALLY RENOWNED SPEAKERS, INCLUDING: REVEREND WILLIAM BARBER, CO-CHAIR OF THE POOR PEOPLE'S CAMPAIGN, and EZRA LEVIN AND LEAH GREENBERG, FOUNDERS AND CHAIRS OF INDIVISIBLE NATIONAL.** It also includes **HEATHER BOOTH, A CIVIL RIGHTS ACTIVIST AND LEADING STRATEGIST FOR PROGRESSIVE ISSUES.**

20:50:46 From Marci Adelston-Schafer to Everyone:

We at Indivisible Illinois are 'fired up and ready to go". We hope you are too. Please join us on Zoom. Below is the link to register. We are hoping to see you there.

Question #1: What are the rules / requirements around registration and voting that you find are most often misunderstood by volunteers like us?

19:24:29 From Marci Adelston-Schafer to Everyone:

Thank-you for bringing that issue up, Anat. It can be very confusing.

19:24:35 From Terry Maher to Everyone:

19:25:42 From Marci Adelston-Schafer to Everyone:

Thank-you, Ami!

19:26:08 From Julia Kline (she/her) ILVOTE to Everyone:

Terry I believe that if they're on parole, they're eligible to vote. They've served their time; they're just "on probation." At least I *think* that's the right answer ... Il

19:27:36 From Terry Maher to Everyone:

21:39:33 From Jessica A Motsinger to Everyone:

So, my estranged father would send me to "Uncle" Warren's house in Mangum OK during the summer. I went with "Uncle" Warren to gun shows all throughout OK, TX, he even went to Las Vegas for the Soldier of Fortune convention. My estranged father sold weapons to people all over the place. He would FedEx them, this was in 1991-92. In Oct. 1997 my estranged father got arrested and made CNN for two weeks. My "Uncle" Warren was being investigated by the ATF and FBI for years. He and my estranged father would modify the trigger, shave the barrel, apparently they even got rid of the serial numbers. The FBI, NCIS, and the USMC said that my estranged father and his USMC EOD tech guys that were selling weapons, were like Tim McVeigh. The USMC sentenced him to 30 years, my estranged father plead for 20, and did 12 in Ft. Leavenworth. He got out and nothing was on him. FBI called me after the Boston bombing because he was living in Wooster at the time. He was actually going to make a lot of money selling guns again. He is

Thank you. I have been told I should write a book. 🙄

21:44:31 From Marci Adelston-Schafer to Everyone:

You should write a book.

21:44:33 From Jean Sloan to Everyone:

The quote that struck me: Bill Clinton saying (something like) "there is popular support and there is voter support." That is central to the problem: popular support does nothing unless it can be transformed into votes.

21:44:59 From Cindy Bender to Everyone:

This is Cindy that was a powerful movie. My girlfriend lived close to the sandy hook grade school shooting.

21:45:22 From Julia Kline (she/her) ILVOTE to Everyone:

Yes Joan - the voters I register every day are people in the city of Chicago are victims of the highest rates of gun violence and yet they also don't vote. They tell me "What's the point?" They're surrounded by elected Black Democrats and everything just keeps getting worse.

21:46:24 From Marci Adelston-Schafer to Everyone:

Oh my, Cindy. <3

21:46:31 From Julia Kline (she/her) ILVOTE to Everyone:

21:49:13 From Rosemarie Colacino to Everyone:

Thank you Marci.

21:50:37 From Silver Damsen to Everyone:

I think it would be useful to look at gun manufacturers/the group that made money off the Afghanistan war. The same relationship exists with drug cartels. Gun manufacturers make huge profits from selling to drug cartels. Tying all these forms of violence in, I think would be useful for lobbying purposes.

21:51:56 From Betsy Rubin to Everyone:

Regarding everyday gun violence, we need to work on stopping the easy access to weapons but we also need to get more resources to communities. This is what we hear again and again from community organizations in neighborhoods that suffer from high gun violence.

21:52:51 From Judith Myers to Everyone:

I think more needs to be said about the 2nd Amendment and what the Founders meant by that in terms of applying it to the militia, not private citizens. The NRA has essentially perverted the original intent of the 2nd Amendment to keep white supremacy, racism, oppression alive.

21:53:51 From Betsy Rubin to Everyone:

And we need to get RESOURCES to communities

21:54:21 From Betsy Rubin to Everyone:

Democrats need to get RESOURCES to communities. If they don't then folks in those communities will never think Dems care

21:55:14 From Jonathon Rogoff to Everyone:

The piece that hit me are how the open carry of guns at protests is a form of intimidation and silences other voices. It seems like tying that to 1/6 and all these irrational militias as a form of societal bullying/silencing would make a good political message for voting in 2022.

21:56:01 From Betsy Rubin to Everyone:

Also the NRA is evil beyond guns. They are all tied in with the individual freedom., protecting white power, protecting the power of evangelical Christians etc

21:56:19 From Betsy Rubin to Everyone:

Yes, Sara

21:58:29 From Julia Kline (she/her) ILVOTE to Everyone:

Great question rose - where are these corps now? Answer: they're busy lobbying against the 3.5T budget plan, because it's funded by taxing them. {eye roll}

21:58:37 From Jessica A Motsinger to Everyone:

Well, the weapons manufacturers and those who profited off of the Afghanistan war etc, they make up most of our Stock market. We refused the Military TSP program because we refuse to invest in those corporations. :) Solar panels and our house was where we invested any extra savings.

21:58:41 From Judith Myers to Everyone:

Yes, Rose, FOLLOW THE MONEY!

22:00:08 From Betsy Rubin to Everyone:

Another aspect of easy access to guns -- suicide. In the last few years, two friends of mine lost loved ones to suicide with guns

22:00:33 From Julia Kline (she/her) ILVOTE to Everyone:

Yes Betsy suicide is a HUGE part of the gun violence problem too. Very sad.

22:01:15 From Julia Kline (she/her) ILVOTE to Everyone:

And not just white middle aged men who are the ones most likely to eat a shotgun. A lot of the urban violence is being researched for the possibility that it is actually just a prolonged form of suicide.

22:01:52 From Silver Damsen to Everyone:

I don't know how to speak in the chat, even though I unmuted. I'm glad you see how the drug cartel violence is related to profits for gun manufactures

22:02:15 From Jessica A Motsinger to Everyone:

They think of gun safety advocates as rich, white suburban ladies who don't know anything about the "guns". They don't take some folks I know are great activists seriously on the subject. Much of it is sexist, but we need to change the idea of us not knowing what we are talking about. We don't have to know all the spec's and tech details, but we need to change the way gun safety advocates are seen differently. I support them, I just get concerned because I hear it and see it.

22:04:08 From Jean Sloan to Everyone:

I'm very grateful for the opportunity to see this film. Thank you Sara and Indivisible Illinois for this screening.

22:04:21 From Jessica A Motsinger to Everyone:

If there is nothing to do, they will find stuff to do. Our neighborhoods need to have places for teens to go and do something that makes them have a better future. I know there are great groups working on this. :)

22:04:33 From Jessica A Motsinger to Everyone:

Thanks y'all. Thank you Sara

22:04:41 From Julia Kline (she/her) ILVOTE to Everyone:

Yes Sara - a lot of money has already been poured into "gun violence prevention in Chicago". But unfortunately too much of it has gone to consultants and politicians. It needs to go to the Peace Book and Increase the Peace and Good Kids Mad City and OneNorthside and ALSO and all the other organizations who are on the ground working to eradicate violence. THEY'RE the ones who need the funding.

19:43:43 From Jim McGrath to Everyone:

There is a new group that has local chapters sprouting up like weeds. It's "Awake Illinois". Google it. It appears to be a disinformation group that was started by a Naperville woman who ran for the school board but lost. Her platform was CRT, antimasking, etc.

19:43:53 From Katie McHugh to Everyone:

As long as you have #TruthBrigade I think so

19:45:44 From Marci Adelston-Schafer to Everyone:

Thank-you Cameron, Etta and Candice.

19:46:10 From Marci Adelston-Schafer to Everyone:

19:46:37 From Marci Adelston-Schafer to Everyone:

Thank-you, Katie. That is good to know.

19:46:46 From Candace Davis to Everyone:

Jim - that is pretty horrifying. Maybe we can add them to our list of "bad actors" in Illinois we go after

19:48:20 From Jim McGrath to Everyone:

Candace, we definitely need to put this group on the list. They are supposed to be well funded by sources out of Illinois. They are a 501c4 organization.

19:48:49 From Marci Adelston-Schafer to Everyone:

Jim. that is even scarier to think about.

They are serious. I found out they have a chapter in my town of Barrington and were probably supporting the speakers at our school board meetings. Last meeting they had a dozen kids all in red tee shirts saying "don't make me wear a ask"

19:51:34 From Marci Adelston-Schafer to Everyone:

19:26:12 From Diane Hewitt to Everyone : Most libraries, dmvs, etc

19:28:08 From Sarah Bingaman to Everyone : I believe that the election authorities must have the application for the permanent vote by mail list 90 days prior to the November election - NOT 90 days prior to the primary.

19:29:34 From Julia Kline to Everyone : Rose a second ago I said "we're talking about voter reg, not voting by mail" - but of course that's wrong. Sorry. We're talking about both. But this is just confusing ...

19:30:06 From Gretchen Coleman to Everyone : Unfortunately I have to head to another call, but thank you all for coming tonight! Please email me at ballotz.2020@gmail.com if you'd like any help with flyers or anything else related to voter registration.

19:32:17 From Rose Colacino to Everyone : Here is a spreadsheet with jurisdictions matched to Indivisible teams. Please reach out to your Clerk to ask about perm. VBM:

https://docs.google.com/spreadsheets/d/1Wf1Cg7aVdqIzVRjsQIOZRXw-LbtE_Hj-_F3X6tE9ONc/edit?usp=sharing

19:32:33 From Shari Sweeney-Sadowski to Everyone : many of us will need to pressure our clerks. here in Union County our clerk has publicly stated he is against VBM.

19:33:01 From Diane Hewitt to Everyone : Soo true

19:33:32 From Rose Colacino to Everyone : Shari let us know if we can help with that. We have a VBM Taskforce team. rcolacino@indivisibleil.com

19:33:52 From Nel Battrell to Everyone : We have a great county clerk here in Jackson County, Frank Byrd, who is doing everything he possibly can to institute the new rules. He stated each clerk will be deciding how and when to implement the rules. He would be happy to answer questions people have.

19:34:16 From Indivisible Illinois to Everyone : that's awesome Nel

19:35:07 From Marci Adelston-Schafer to Everyone : That rocks, Nel!

19:35:27 From Rose Colacino to Everyone : We welcome Clerks to come speak with us on our 8pm call. Please let me know if your Clerk would be interested in speaking with us. rcolacino@indivisibleil.com

19:35:54 From Nel Battrell to Everyone : I would be fine with using the regular flier. Where does the QR code take you?

19:35:54 From Jessica A Motsinger to Everyone : I ended up inspired by you and got a QR code for our County

19:36:28 From Rose Colacino to Everyone : Nel, please invite your Clerk to our 8pm call. Contact me for dates. Thanks!

19:37:33 From Marci Adelston-Schafer to Everyone : Jessica, you rock!

19:38:10 From Jessica A Motsinger to Everyone : I think we can exit them and share with everyone

19:38:14 From Jessica A Motsinger to Everyone : edit.

19:39:09 From Letina Brady Pettis to Everyone : Yes, I can use it

19:39:11 From Nel Battrell to Everyone : I like the template

19:39:11 From Shari Sweeney-Sadowski to Everyone : I think the permanent VBM needs to stay. I think it works!

19:39:13 From Jessica A Motsinger to Everyone : Google has a free QR code generator and its a great template

19:39:18 From Indivisible Illinois to Everyone : it looks great

19:39:26 From Marci Adelston-Schafer to Everyone : It looks good

19:39:37 From Rose Colacino to Everyone : Agree, looks great Julia!

19:39:39 From Marci Adelston-Schafer to Everyone : It looks good

19:40:02 From Sarah Bingaman to Everyone : So Rosie - Action for a Better Tomorrow is listed on your spreadsheet. We are ok, right. I will check the surrounding counties. We have members in Whiteside and Ogle Counties also.

19:40:48 From Jessica A Motsinger to Everyone : Chicago is not a QR code I wanted to use. I saw the template with Chicago

19:41:15 From Rose Colacino to Everyone : Let's talk about it Sarah, Thank you.

19:41:26 From Julia Kline to Everyone : Jessica do you see a benefit in having your own QR code, rather than using the shared one?

19:41:57 From Julia Kline to Everyone : Jessica the QR code to register to vote goes to the State Board of Elections - same place for all of us statewide.

19:42:08 From Jessica A Motsinger to Everyone : No, I replaced the Chicago and Cook County with St.Clair county

19:42:27 From Julia Kline to Everyone : But to register to vote online, doesn't everybody in St. Clair County go to the Illinois B of E website?

19:44:03 From Julia Kline to Everyone : That's what we all established a few minutes ago - that for the purpose of registering to vote online, there's only one place statewide, the IL B of E website. Counties don't have their own online voter registration portals.

19:44:20 From Leni, she/her to Everyone :

19:44:22 From Julia Kline to Everyone : When it comes time to request ballots by the mail, then yes we would each need our own QR code for our own jurisdictions.

19:44:42 From Jessica A Motsinger to Everyone : I will continue conversation on the side. I have auditory issues and polyneuropathy. I have issues typing fast like y'all and hearing.

19:44:50 From Julia Kline to Everyone : Sorry Jessica. Yes we can talk later.

19:44:59 From Jessica A Motsinger to Everyone : Thanks

19:45:55 From Rose Colacino to Leni, she/her(Direct Message) : Can you set up the closed captioning for Jessica for 8pm?

19:54:43 From Rose Colacino to Everyone : Great, thank you Nel!

19:55:13 From Jessica A Motsinger to Everyone : We do it at every event. So a big percent 🙄

19:56:11 From Marci Adelston-Schafer to Leni, she/her(Direct Message) : This is more than I thought it would be. Plus, I straddle the partisan/non-partisan divide constantly. I am not sure that I am the best person for this.

Bend the Arc collaborated with the League the NAACP, When We All Vote and Delta Sigma Theta.

But I do more in conjunction with the Champaign County Democrats.

I think I am going to have to bow out. But I know of others who could be this person in Champaign County.

19:57:16 From Sarah Bingaman to Everyone : Ooo... I am an elected Democratic precinct committee person too. Does that matter?

20:42:02 From Jodie slothower to Everyone : Dave Koehler who would represent Bloomington-Normal has stopped by to learn more about the area. He seems like a good guy. However, he doesn't seem to know much about McLean County, so that opens up a challenge.

20:42:31 From Rose Colacino to Everyone : Thanks for the insight Jodie!

20:46:46 From Rose Colacino to Everyone : Excellent presentation Andrew. You had people sitting on the edge of their seats.

20:48:11 From Jessica A Motsinger to Everyone : Thank you!

19:35:48 From Candace Davis to Everyone : No matter where we're from, we want kids to have a great education. But certain politicians are peddling outrage about #criticalracetheory hoping to divide us ahead of the midterms. I reject the right wing rage machine & racial dog-whistles that fuel it! #Truth Brigade #Truth Brigade Illinois.

19:37:04 From Candace Davis to Everyone : We all want our kids to have a great education. This should include learning our country's history as it happened even if we aren't proud of all of it. Some people are advocating that we forbid the teaching of real history. This is a strategy to stir up outrage and keep us racially divided ahead of the midterm elections. Don't fall for it!

19:37:35 From Sarah Bingaman to Everyone : Awesome Candice

19:42:36 From Marci Adelston-Schafer to Everyone : The disinformation campaign from the rightwing is so entrenched. It is like that quote from Goebbels: "Tell a lie. Make it big. Repeat it over and over again until it is the truth."

I don't know how to fight that.

20:14:14 From Rosie Rees to Everyone : Nick, can you give us a link to that research?

20:14:54 From Sarah Bingaman to Everyone : Yes. Nick. We really need the source.

20:15:28 From Rose Colacino to Everyone : The study Nick is discussing:
<https://t.co/85ONXaRUzf?amp=1>

20:15:39 From Marci Adelston-Schafer to Everyone : We did postcards for Cindy Cunningham's campaign for State Rep in 2020. She targeted Danville, and put the other candidates that were running Vermilion County wide. There were people who brought the postcards to the polls with them, so they could know who the Democrats were on the ballot.

20:16:11 From Jim McGrath to Everyone : Rosie, yes, I would like to see it also. My concern is that teh study takes two events and makes one casue and effect. I'd like to understa dn how the established teh correlation.

20:17:29 From Marci Adelston-Schafer to Everyone : I'm with Jim

20:21:28 From Leni, she/her to Everyone : you must have me pinned Nina

20:23:52 From Jim McGrath to Everyone : A typical misuse of data I have seen in my engineering and marketing experience is that when two events happen, there is a tendency to make one the cause and the other the effect. I wonder if anyone doing this study actually talked to someone who got a postcard?

20:24:12 From Marci Adelston-Schafer to Everyone : Thank-you for all of your good work, Nina!

The link to event information is broken. They don't appear to have a webpage and their facebook group is private.

20:30:21 From Rose Colacino to Everyone : I had a preview. It's an amazing deck. Rural Group and Truth Brigade may especially benefit from this deck.

20:30:47 From Marci Adelston-Schafer to Everyone : I agree , Rose

20:31:31 From Candace Davis to Everyone : That's great! Thanks!

20:32:20 From Candace Davis to Leni, she/her(Direct Message) : Thanks. I messaged the group with no luck. Ill try that.

20:33:13 From Rosie Rees to Everyone : Does this jobs outlook also mean people in rural areas are also getting these jobs?

20:36:11 From Karl Faulstich to Everyone : There is a lag between the reporting of the national jobs numbers and the reporting of jobs by states and rural areas

20:39:01 From Marci Adelston-Schafer to Everyone : David, thank-you for showing this data. It gives a lot of insight.

20:45:58 From Sarah Bingaman to Everyone : Tomorrow is the Deadline for Democracy event in DeKalb at 5 Peace Corner

20:46:01 From Rosie Rees to Everyone : We just shared Nick's info on the postcard study with Reid McCollum of the Postcards to Swing States org. Here's is initial reaction:

20:46:10 From Rosie Rees to Everyone : Without reading the study, it's hard to say much, but a 9% decrease in turnout sounds like a very small study and a lot of statistical noise. Our postcards in the WI primary last year increased turnout by 0.6% and those we sent in November also increased turnout. I'm co-presenting our results at an Analyst Institute summit for progressive organizations next week.

For what it's worth, there's a zero % chance that out-of-state postcards depress turnout. Our treatment groups in the WI primary and then November 2020 experiments were 500,000 households and ~8 million households respectively. This study probably had an extremely small size. There are always outliers in small sample experiments.

20:47:18 From Marci Adelston-Schafer to Everyone : Awesome, Julia!

20:47:55 From Leni, she/her to Everyone : we'll hear from Indivisible National, Cameron, then Rosie after Julia

20:48:01 From Rosie Rees to Everyone : Julia , are you not registering people right in the audience during the shows?

20:48:19 From Julia Kline to Everyone : No Rosie thanks for that question. We can't get in the venue without buying a \$125 ticket. LOL

20:48:30 From Rosie Rees to Everyone : Ah, I see!

20:49:14 From Marci Adelston-Schafer to Everyone : Awesome!

20:49:28 From Sandra from WISE to Everyone : Probably best to stay at the train station anyway as voter registration events cannot occur in places that serve alcohol.

20:49:44 From Rosie Rees to Everyone : Oh, another good reason!

20:50:00 From Julia Kline to Everyone : Rosie do you have a link to the voter turnout study you talked about? Nick sent me the study he referenced but it's a pdf not a link - email me juliakline@gmail.com and I'll forward it to you if you want.

20:50:24 From Julia Kline to Everyone : Sandra we will be on the sidewalk - no alcohol being served! ;-)

20:51:11 From Julia Kline to Everyone : Also Sandra we are not acting as deputy voter registrars; rather we are passing out (and collecting) motor voter forms. So I'm pretty sure there's no restriction on alcohol in any case.

20:51:34 From Sandra from WISE to Everyone : Good to know

20:52:49 From Leni, she/her to Everyone : thanks Jared for your help with the event last week! after Jared we'll hear from Rosie

20:58:25 From Rose Colacino to Everyone : .You are very welcome!

20:58:51 From Sandra from WISE to Everyone : Feedback from Reid about the voter turnout study re: postcards. I just bought this study and read it. I really do appreciate the heads-up! The Invisible Evanton leaders emailed me about it right after yours.

- They sent 3280 postcards, which is TINY
- The volunteers mixed up the lists by mistake, making it a lot harder to try to conduct any meaningful analysis.
- The authors suspect that focusing on specific down-ballot candidates, it's possible that they led voters to think the upcoming election wasn't that important, because it distracted from the more salient races.

Americans value the freedom to vote. The For the People Act will protect that freedom. But some people spread misinformation about the act to protect dark money interests and their ability to gerrymander and buy elections. We need the For the People Act to make our elections fair. #TruthBrigade #TruthBrigadeIllinois

20:57:35 From Marci Adelston-Schafer to Everyone : You rock, Jean

20:58:34 From Jessica A Motsinger to Everyone : Our Group is considered a partisan group unfortunately

20:58:43 From Marci Adelston-Schafer to Everyone : Thanks for the update, Jim

20:59:28 From Marci Adelston-Schafer to Everyone : Jessica, Indivisible should not be considered partisan.

20:59:54 From Marci Adelston-Schafer to Everyone : It is not like you are doing it as Democrats

21:00:28 From Marci Adelston-Schafer to Everyone : Thanks Katie

21:00:30 From Jessica A Motsinger to Everyone : We are Progressive, that makes us considered partisan to folks around here.

21:00:53 From Julia Kline to Everyone : Under the law, it's only partisan if you're supporting a candidate or political party. However, bad actors try to say that all kinds of stuff is "partisan" that isn't. :-(

21:01:01 From Rose Colacino to Everyone : Ed, can you talk about tomorrow?

21:01:54 From Julia Kline to Everyone : Marci these are the same people saying that January 6 was a picnic. I don't think we're going to be able to convince them that voter registration isn't partisan.

21:02:45 From Rose Colacino to Everyone : Join us for the NWSOFA Indivisible IL phonebank to stop voter suppression at 2pm CT: <https://fb.me/e/11Za3ByB8>

21:04:00 From Sarah Bingaman to Everyone : I hear you Jessica. It took us 9 months of begging to get to be voter registrars.

21:04:24 From Julia Kline to Everyone : Yeah Jessica that's a big part of the reason why we're putting forth IL Vote as the umbrella organization.

21:04:57 From Rose Colacino to Everyone : Join us for the NWSOFA Indivisible IL phonebank to stop voter suppression at 2pm CT: <https://fb.me/e/11Za3ByB8>

That is tomorrow and every Thursday!

21:05:27 From Sarah Bingaman to Everyone : When you are registering people to vote, you HAVE to be non partisan. Yes. Give yourself another name.

21:06:16 From Sarah Bingaman to Everyone : We are proud of you Jessica!!!!

21:06:29 From Marci Adelston-Schafer to Everyone : You rock, Jessica!!

21:06:36 From Rose Colacino to Everyone : Thank you Jesscia!

21:06:58 From Jessica A Motsinger to Everyone : Thanks y'all. We are all doing this. :)

21:07:03 From Julia Kline to Everyone : Sarah that's true if you're acting in the capacity as a deputy voter registrar and using the 2-part form. However if all you're doing is disturbing and collecting the mail-in form, you don't legally have to be maintaining a non-partisan facade.

21:07:44 From Julia Kline to Everyone : *distributing and collecting

21:11:08 From Rose Colacino to Everyone : We should discuss with Matt Flamm

21:11:23 From Marci Adelston-Schafer to Everyone : Good idea, Rose

19:43:01 From Katie McHugh (she/her) to Everyone : I have all the sharing options turned on, people can reshare my stories and send it via private message. You can turn that off but I figure I want it to be spread as far as possible!

19:50:56 From Katie McHugh (she/her) to Everyone : Freedom to vote should be a shared value and the president has nothing to do with gas prices

20:02:42 From Rosemarie Colacino to Everyone : Hi Erin! Thanks for being here.

20:03:11 From Katie McHugh (she/her) to Everyone : Behind the Curve on Netflix does a good job of explaining why people believe conspiracy theories and how to chip away at their beliefs

over time, welcoming them back to reality. The brainwashing of my dad is a documentary about a man radicalized by right wing talk radio and what it took to eventually get their dad back :)

20:03:57 From Marci Adelston-Schafer to Everyone : Thanks Katie

20:10:13 From Justin Gibson to Everyone : Will the move to June be permanent for primaries, or is this a one-off?

20:10:36 From Katie McHugh (she/her) to Everyone : I think a one-off because of late census results

20:43:34 From Leni, she/her to Everyone : voter registration , voter engagement, voter
protection, vote by mail
20:47:19 From Julia Kline to Everyone : I'm desperate to go hit the sidewalks (for voter reg) in
front of the businesses along 75th St in Chatham - Brown Sugar Bakery, Lem's BBQ, etc. I have
a team of volunteers who are ready to head out there weekly - and I've also connected with a
popular TikTokker who wants to join us / promote it. ALL I NEED IS AN INTRO. And more to the
point, are these business owners even interested in doing voter reg. Does anybody know those
business owners? Can anyone help make that happen?
20:47:35 From Indivisible Illinois to Everyone : Someone posted this question earlier....Is the
new date for the primary just for 2022 or from now on?
20:47:57 From Leni, she/her to Everyone : I believe they are trying the new date and seeing
how it goes
20:48:05 From Indivisible Illinois to Everyone : Thanks.

20:48:53 From Julia Kline to Everyone : My group can commit to hitting the sidewalks registering voters weekly. aka commercial canvassing aka talking to people while they shop, instead of at their homes where they don't answer the door. LOL

20:49:31 From Katie McHugh (she/her) to Everyone : I think Indivisible Western Springs could do definitely weekly post-carding, and maybe a small group would canvass weekly? Maybe registering voters at farmers market

20:49:49 From Marci Adelston-Schafer to Everyone : Bend the Arc Jewish Action: Champaign-Urbana has worked all of this in 2018 and 2020. We are very connected to the Champaign County Dems'

20:50:15 From Leni, she/her to Everyone : Katie and others, if you create a Facebook event, Indivisible IL can cohost and help promote!

20:50:29 From Traci Kurtzer to Everyone : When can we start registering voters again? Sorry if already stated.

20:50:49 From Rosemarie Colacino to Everyone : When We All Vote has a big voter reg event for Juneteenth!

20:51:31 From Jessica Motsinger to Everyone : We're going to be working here, at least in our region. We will be canvassing and registering voters. All but one of our Leadership team is a Deputy Voter Registrar.

20:52:00 From Jessica Motsinger to Everyone : We may have a couple volunteer for phonebanking of course.

20:52:31 From Jonathon Rogoff to Everyone : Setting up outside the new Uptown Farmers Market seems like it would be a great location to attract new volunteers/voters.

20:53:08 From Marci Adelston-Schafer to Everyone : Cameron, point taken

20:53:31 From Rosemarie Colacino to Everyone : Thanks Cameron, you make good points.

20:53:39 From Candace Davis to Everyone : I agree with Cameron - if we don't get democracy reform we may lose everything.

20:55:45 From Jessica Motsinger to Everyone : August 18th is Gov Day at the State Fair and the ILDCCA Brunch. We can def meet up there too, if folks are going.

20:56:43 From Nel Battrell to Everyone : Thanks Leni

21:06:48 From Rosemarie Colacino to Everyone : Me too!

21:08:29 From Marci Adelston-Schafer to Everyone : Rose, you can lead a horse to water, but you cannot make them drink.

21:08:46 From Nick Uniejewski to Everyone : Already drunk

21:09:10 From Julia Kline to Everyone : LOL Nick

21:14:57 From Marci Adelston-Schafer to Everyone : Sigh!!

21:16:53 From Marci Adelston-Schafer to Everyone : These people think the election is still going on.

21:17:18 From Saskia Young to Leni, she/her(Direct Message) : Sorry about that. I'm just incredibly serious about covid safety. I feel like I'm being an interloper so I think I need to duck out...

21:17:55 From Leni, she/her to Saskia Young(Direct Message) : I'm glad you said it!

21:18:11 From Saskia Young to Leni, she/her(Direct Message) : <3

21:25:09 From Nick Uniejewski to Everyone : Totally meaningless if they support HR4 though if filibuster still stands

21:28:40 From Marci Adelston-Schafer to Everyone : oint taken, Nick.

21:28:57 From Marci Adelston-Schafer to Everyone : I meant, point taken

21:30:37 From Jonathon Rogoff to Everyone : When we cannot agree on how to determine the outcome of an election we no longer have a democracy. This is where we've been for 6 months now and it doesn't appear likely to end anytime soon.

21:31:05 From Julia Kline to Everyone : Exactly

21:31:08 From Julia Kline to Everyone : Jonathan

21:32:07 From Marci Adelston-Schafer to Everyone : Well. we are having a Civil War right now. Mostly, it is virtual. But it won't be mostly virtual for long!!

21:35:01 From Nick Uniejewski to Everyone : National more driven by metrics than moving us toward a progressive future, sadly

21:35:59 From Katie McHugh (she/her) to Everyone : I HATE keeping track of stuff just to keep track and not do anything with it. Waste of time

21:36:11 From Julia Kline to Everyone : Katie what do you mean

21:37:05 From Jonathon Rogoff to Everyone : Oddly, I'm kind of at the point where I'm fine with all the Jim Crow / voter suppression stuff. Rose keeps trying to say I'm wrong and people don't have a clue, but I feel that the suppression stuff just serves to motivate the voters after a certain point. The stuff that scares me is all the stuff about legislatures overturning election results / overruling the people tasked to oversee elections, and otherwise furthering the distrust of elections and government.

21:37:14 From Katie McHugh (she/her) to Everyone : Just agreeing what nick said

21:38:46 From Katie McHugh (she/her) to Everyone : Federal gov should intervene like after civil war

21:43:21 From Jonathon Rogoff to Everyone : More likely they will wall off the cities from the rest of the country.

21:45:58 From Jonathon Rogoff to Everyone : Do you believe the narrative of science or the narrative of profit? That's the divide and it is driven by media and \$\$.

21:50:33 From Jonathon Rogoff to Everyone : We had a ton of impact at the state level this session. National, not so much. I still go back to thinking we need to target the donors to Manchin and Sinnema if we truly want to move them. They currently have financial and political incentives to hold the status quo. If we want to have an impact, we need to give them reason to move.

21:51:14 From Marci Adelston-Schafer to Everyone : Jonathon, you're right. Hit 'em in the pocketbook

21:51:32 From Jonathon Rogoff to Everyone : Follow the money, not the media story!

21:53:13 From Katie McHugh (she/her) to Everyone : It's helpful to me when you bring up stuff like that because it happened before I really paid attention to politics

21:56:36 From Jonathon Rogoff to Everyone : The Dems did everything they could to defeat Marie Newman.

21:56:58 From Julia Kline to Everyone : ++ jonathan

21:58:56 From Jonathon Rogoff to Everyone : The Mon meeting is my fault. I have a Chicago Market meeting on Mondays from 7:30-9.

20:11:34 From Leni, she/her to Rose Colacino(Direct Message) : my internet is terrible. Can you keep the agenda going for me tonight?

20:12:03 From Leni, she/her to Rose Colacino(Direct Message) : need to give Jared an intro too

20:16:16 From Jared Launius to Everyone : Incredible!

20:17:16 From Etta Worthington to Everyone : n person postcard writing party. Yes. Our first in-person event since the beginning of the pandemic last year. We will meet in Etta's back yard in Forest Park. Bring a clipboard if you have one. (We'll have some as well.) Please be vaccinated and bring a mask although if we are all comfortable, we can drop the masks, while still staying a little spaced out. I'll have postcards and stamps and messages and addresses. I'm sure this has been said already but what's the bill in question?

Linda Kallas to Everyone (8:44 PM)

Are these current rules for all convictions?

Jonathon Rogoff to Everyone (8:45 PM)

HB3913

Julia Kline to Everyone (8:45 PM)

so we're currently working to pass it in. the house?

Laurie Jo Reynolds C400 to Everyone (8:47 PM)

Fact sheet for bill:

<http://chicago400.net/content/3-legislation/hb3913-no-cost-housing-c400-tasc-caase-shriver.pdf>

Jonathon Rogoff to Everyone (8:47 PM)

The HB3913 is currently In the house. It sounds like the Senate is putting together a criminal justice omnibus bill, so adding this language to that may be the easiest/only path remaining in the current session.

Marci Adelston-Schafer to Everyone (8:47 PM)

REALLY???

WHY???

Laurie Jo Reynolds C400 to Everyone (8:47 PM)

More info about bill: <http://chicago400.net/legislation>

Marci Adelston-Schafer to Everyone (8:48 PM)

Jim is right. This is HARASSMENT!!

Laurie Jo Reynolds C400 to Everyone (8:48 PM)

Yes, there is some traction in the Senate right now and Sen Van Pelt is filing a bill now but Jonathon is right. ^^^

Laurie Jo Reynolds C400 to Everyone (8:48 PM)

They use sworn detectives for this re-registration every week.

Sworn officers.

Sarah Bingaman to Everyone (8:49 PM)

What are the restrictions on where people can live?

Etta Worthington to Everyone (8:49 PM)

Terrence, Shabazz and Steven, thanks for sharing these stories.

Laurie Jo Reynolds C400 to Everyone (8:50 PM)

They are 500 feet from all schools, parks, daycares, places where people have daycare licenses, home daycares, playgrounds, etc. So when you add that up, it blocks them from most non-rural housing.

Julia Kline to Everyone (8:50 PM)

not all formerly incarcerated are subjected to this, right? what's the distinction?

natalie nm (she/her) to Everyone (8:51 PM)

But also doing it at midnight? Mamma Mia... thats a truly low bar - and is also harassment

Sarah Bingaman to Everyone (8:52 PM)

Thank you, Laurie Jo. We looked for a place where we could have a marijuana dispensary and there were those types of restrictions in place. It was almost impossible to find a place that met the criteria.

Marci Adelston-Schafer to Everyone (8:53 PM)

I have another meeting at 9 pm. So I will have to leave soon.

Rose Colacino to Everyone (8:53 PM)

Julia did we answer your questions?

Julia Kline to Everyone (8:53 PM)

an hour to move?!? that's like a sick comedy sketch, not reasonable policy.

Of course. Here it is: <https://secure.everyaction.com/Oz6vgn6SyU2ycr7if3U5ag2>

Laurie Jo Reynolds C400 to Everyone (8:55 PM)

I'm sure this has been said already but what's the bill in question?

Linda Kallas to Everyone (8:44 PM)

Are these current rules for all convictions?

Jonathon Rogoff to Everyone (8:45 PM)

HB3913

Julia Kline to Everyone (8:45 PM)

so we're currently working to pass it in the house?

Laurie Jo Reynolds C400 to Everyone (8:47 PM)

Fact sheet for bill:

<http://chicago400.net/content/3-legislation/hb3913-no-cost-housing-c400-tasc-caase-shriver.pdf>

Jonathon Rogoff to Everyone (8:47 PM)

The HB3913 is currently in the house. It sounds like the Senate is putting together a criminal justice omnibus bill, so adding this language to that may be the easiest/only path remaining in the current session.

Marci Adelston-Schafer to Everyone (8:47 PM)

REALLY???

WHY???

Laurie Jo Reynolds C400 to Everyone (8:47 PM)

More info about bill: <http://chicago400.net/legislation>

Marci Adelston-Schafer to Everyone (8:48 PM)

Jim is right. This is HARASSMENT!!

Laurie Jo Reynolds C400 to Everyone (8:48 PM)

Yes, there is some traction in the Senate right now and Sen Van Pelt is filing a bill now but Jonathon is right. ^^^

Laurie Jo Reynolds C400 to Everyone (8:48 PM)

They use sworn detectives for this re-registration every week.

Sworn officers.

Sarah Bingaman to Everyone (8:49 PM)

What are the restrictions on where people can live?

Etta Worthington to Everyone (8:49 PM)

Terrence, Shabazz and Steven, thanks for sharing these stories.

Laurie Jo Reynolds C400 to Everyone (8:50 PM)

They are 500 feet from all schools, parks, daycares, places where people have daycare licenses, home daycares, playgrounds, etc. So when you add that up, it blocks them from most non-rural housing.

Julia Kline to Everyone (8:50 PM)

not all formerly incarcerated are subjected to this, right? what's the distinction?

natalie nm (she/her) to Everyone (8:51 PM)

But also doing it at midnight? Mamma Mia... thats a truly low bar - and is also harassment

Sarah Bingaman to Everyone (8:52 PM)

Thank you, Laurie Jo. We looked for a place where we could have a marijuana dispensary and there were those types of restrictions in place. It was almost impossible to find a place that met the criteria.

Marci Adelston-Schafer to Everyone (8:53 PM)

On behalf of Johnnie "Khalif" Veal I'd like to thank all the folks that have contributed to his re-entry fund, and give a short status update on his situation. His plan to go to the home of his fiancée was disrupted by authorities in her state who held that since they were not yet married she was not "family" and her home not a suitable parole location. They are struggling to overcome this problem, and it's expected that he'll be released soon. I'll keep everyone updated.

For those unfamiliar with his case, he was framed for the killing of two cops at Cabrini-Green CHA project in 1970. He was paroled almost 51 years later this past February. More information on the case can be found here.

19:54:57 From Cameron Macaw-Hennick to Everyone : Another element of the Indivisible Truth Brigade is also not to hide that we are organized. We need to be open about the fact that we are fighting disinformation. And a public page may be a good way to accomplish that if you are concerned about the safety and privacy of individual members.

19:54:59 From Lorena Pereira to Everyone : All Americans deserve to be safe from danger at the hands of those meant to protect them.

Many social media accounts criticizing the Chauvin verdict have a political agenda and benefit from a system where there is no accountability for officers who behave violently.

We need to do even more to allow Black communities to live safely and free of fear.

19:50:47 From Lorena Pereira to Everyone : The stimulus is a BIG DEAL that helps people in many ways. Some are lying about it, so pay attention! 20:04:55 From Jonathon Rogoff to Everyone : Hey All! I'm working on some updates to the Indivisible Illinois website. I've rearranged the menu (check it out) so I can start working on new pages: current elections and some of our focus areas (SJA, Rural, VBM Taskforce ILVOTE, etc). If you would like to help put together content for these pages or have other ideas, let me know: jrogoff38@gmail.com.
20:07:01 From MARLA to Everyone : Is anyone working on advocacy for accessibility of vaccines in Illinois? I am deeply troubled by the fact that two of the three statewide mass vaccination sites serving Southern IL are located in the same town (Carbondale). They regularly have numerous appointments going unused, while other areas it's nearly impossible to get appointments. People shouldn't have to drive two or more hours away to get vaxxed.

20:13:56 From Marci Adelston-Schafer to Everyone : There are groups on the right that specifically concentrates just on the abortion issue. Those people are focused.

20:14:19 From Elizabeth Lindquist to Everyone : Here is the Prescription Drug Repository Coalition website. <https://www.ilrxdrugrepository.org/>

20:14:38 From Julia Kline to Everyone : It's even more nefarious than that. Their agenda is to control & disempower women. If they genuinely wanted to reduce abortions, they would be passing out birth control like candy. And of course they instead are trying to criminalize that too.

20:33:41 From Julia Kline to Everyone : Are the trial lawyers opposing the law whole hog, or are they suggesting that the current legislation isn't worded to withstand a lawsuit?

20:40:18 From Julia Kline to Everyone : Can you share the links to your phone banks in the chat?

20:42:23 From Marci Adelston-Schafer to Everyone : It is great that there are phone banks and forums, but for the forums, if there are 2 candidates vying for a seat, and 1 refuses to show up, why is it that the other candidate is not allowed to participate for the Illinois NAACP/LWV forums? It seems that, when 1 candidate refuses, it penalizes the other candidate as well.

20:00:54 From Etta Worthington to Everyone : "Justice for all" is a value we Americans embrace. Yet cynical politicians pandering to their far-right base are claiming that a lack of justice for Trump and his allies will unify us. 20:44:29 From Mary Quinlan to Everyone : signing up for vaccines also needs internet

20:45:54 From Rose Colacino to Everyone : I will look into that Jessica. Thanks for bringing it up.

20:46:11 From Jessica Motsinger to Everyone : Thank you Marci, and Rose.

20:46:22 From Terry Cosgrove to Everyone : Progressive people such as Jan Schakowsky and Mike Quigley are opposed to changing the mapping process in IL unless it is done in all 50 states at the same time at the federal level. Every state around Illinois is a hell hole for reproductive rights, LGBTQ rights and racial justice. Because Democrats are in charge of Illinois, including the mapping process, we have the RHA, marriage equality, etc. Not a single voting rights lawsuit was brought against Illinois' 2012 map because it was so respectful of protecting voting rights of minorities, unlike in red states that grossly violate voting rights. Gerrymandering and fair maps are in the eyes of the beholder. Be careful what you wish for.

20:46:47 From Rose Colacino to Everyone : Mary Ann - Our SJA group is working on that too. Would welcome all and any suggestions.

20:28:00 From Marci Adelston-Schafer to Everyone : The Champaign County Democrats are doing 2 phone bank parties each weekend for local elections.

20:28:48 From Leni Manaa-Hoppenworth to Everyone : Hi Tracy, we just talked about tweet storms for local elections

20:30:18 From Jessica Motsinger to Everyone : We have to be careful about being openly "liberal " or Democratic. We're going to have folks helping more than past local elections. We're surrounded by Republicans and We're going to be quiet until it's too late for a big Republican backlash.

20:30:26 From TracyAnne McSORLEY to Everyone : Greetings to all our IL Indivisibles & #Resistors! I'm from O'Fallon, St. Clair County, IL with Indivisible MetroEast and serve as an election judge (Democratic Party) in the county. I'm a Medically Retired Disabled Military Veteran who served 27 years in the U.S. Air Force/Active & Reserve Status. I am also a SuperMajority and Moms Demand Action-MetroEast volunteer/supporter. Sadly, my Federal Congressional Representative/12th District is Mike BOST (R)—a member of the "Sedition Caucus". My IL State Senator/54th District is Jason PLUMMER (R) and IL State Congressional Representative/108th District is Charlie MEIER (R).

20:38:21 From Matt Easterday to Everyone : Do you have any advice for getting students interested in local elections? I think it would be great training (you can see your impact so easily!) but sometimes the students push back that "well I don't live here"

20:41:32 From Matt Easterday to Everyone : That's great advice Julia!

20:41:52 From Matt Easterday to Everyone : So would you start with "issue discussion" then follow with "endorsement" as the first activities?

20:42:27 From Matt Easterday to Everyone : Thank you Julia!

20:46:14 From Fran Tobin to Everyone : It's a tradition here, to avoid grassroots activists

20:48:09 From Leni Manaa-Hoppenworth to Everyone : Julia will you speak for our group - Best ones?

20:49:32 From Jean Sloan to Everyone : Increasing turnout of Dems could be an important strategy in rural areas.

20:51:21 From Sarah Bingaman to Everyone : Ezra is on MSNBC right now.

20:51:54 From Nick Uniejewski to Everyone : Sharon Brannigan, just your usual suburban racist on the Palos Township Board

20:52:42 From Sarah Bingaman to Everyone : Nick, please tell us what you think.

20:52:52 From Julia Kline to Everyone : That's Anthony Clark who was thrown off the ballot, right? On a residency question that he says is just a smear campaign...

20:54:39 From Etta Worthington to Everyone : yes

20:55:02 From Jim McGrath to Everyone : Please promote this to your local chamber of commerce. It's a webinar about eliminating single use plastics in restaurants. Restaurant Webinar

20:57:30 From Lisa Janunas to Everyone : we talked about THRIVE last night at our meeting!

20:58:37 From Julia Kline to Everyone : Speaking of calls to Senators — is anybody able to get through to Duckworth on the phone? Every time I call I get a message to go to her website instead. ??

20:59:15 From Marci Adelston-Schafer to Everyone : I have been able to leave a message for Duckworth, but not Durbin.

20:59:22 From Nick Uniejewski to Everyone : DEMAND YOUR SENATOR SUPPORT THE CONVICTION AND PERMANENT DISQUALIFICATION OF DONALD TRUMP:

21:01:52 From Leni Manaa-Hoppenworth to Everyone : here is CapFax which is a gossip blog that many springfield insiders follow. Just wanted to show you what is being said about Indivisible IL9 and me ! comments

https://capitolfax.com/2021/01/27/another-process-kerfuffle/?utm_source=dlvr.it&utm_medium=twitter

21:01:52 From Jessica Motsinger to Everyone : Of course corrupt too.

21:01:54 From TracyAnne McSORLEY to Everyone : Use the webforms—they have hired additional staff to handle the online correspondence and they ARE responsive!

21:02:18 From Julia Kline to Everyone : What's hilarious is that the spokesperson for the Black Caucus who made a statement saying how “reps must racially reflect their districts” by way of objecting to this process is someone who was appointed to his seat too!!! {eye roll}

21:02:34 From Sandra Alexander to Everyone : How can we help?

21:02:45 From Nick Uniejewski to Everyone : We are doing phonebanking to the district!

21:03:07 From Julia Kline to Everyone : BECAUSE YOU'RE SUCCEEDING!!!!

21:04:00 From Marci Adelston-Schafer to Everyone : Downstate, this happens for Republicans. Mostly in the judge positions!! But my statae rep got in this way. ALL REPUBLICANS!!

21:04:13 From TracyAnne McSORLEY to Everyone : I'd rather BE naive and fight for diversity, justice, and representation that reflects the constituency

21:04:25 From Julia Kline to Everyone : (Even though Kelly Cassidy herself isn't an all-bad candidate. It's unfortunate that she's playing into this corrupt system).
