

Ellen's Diary

Date: 13th April

Weather: sunny

I had a bad yesterday. Mum asked me to do a few things for her, but it was not easy at all! First, Mum told me to water the plants. Right after I watered them, a stray cat jumped through the window and broke the pots. What a naughty cat! I could only watch as he got away. I cleaned up the broken pots and went to the library.

Next Mum told me to return the books which she borrowed from the library. When the librarian was about to click on the computer, the computer suddenly broke down. It took a lot of time before the computer was fixed. I was very tired because I stood for so long. Poor me!

Finally, Mum told me to buy some eggs. When I was at the supermarket, I was holding a carton of eggs. A little boy ran past me and made me drop the eggs. I needed to find staff to sort that out. It made me wait for a long time again.

In the end, when I got home, I was so tired that I fell asleep as soon as I laid on the couch. I learned that I shouldn't run at any supermarkets or you will get into big trouble.
