 Reading	 Math	 Art	 Music	 STEM	 Physical Activity
--	---	--	--	---	--

Created by Stonington Public Schools in collaboration with the LEARN RESC and South Windsor Snow Day Scholar Program.

 Play rhyming games Do ___ and ___ rhyme? Give me a word that rhymes with ____.	 Writing Numbers Practice writing your numbers to 20	 Look outside. Record your weather observations. Draw a picture of what you see.	 Count to 100 by 1's and 10's Then try counting backwards!
 Let's Get Moving! Try jumping jacks, reaching up high and touching your toes. Count as you go. Can you do 25 of each?	 Paper Towel Engineering What can you build from a paper towel tube? Share your design with someone in your house.	 MathSeeds Complete 15 minutes of MathSeeds	 Play "Count the Sounds" "I am going to say a word, see how many sounds you hear." Example: Cat (3 sounds c/a/t), flat (4 sounds f/l/a/t)
 Game Play the math game for the week	 Read High Frequency Words Kindergarten High Frequency Words	 Plant Comparison Go outside. Find two different plants. Record and draw all the similarities and differences.	 Move to the Beat With help from an adult, listen to music and move to the beat. Try this website: www.classicsforkids.com
 Letter Treasure Hunt Go on a treasure hunt in your home and find items that begin with each letter of the alphabet.	 Mystery Science https://mysteryscience.com/mini-lessons/germs?code=dd0e36f75290c83849cf3526df148133	 Writing Think about something you are really interested in and know a lot about. Write about it to teach someone else all that you know. Draw a picture to match your writing!	 Estimate... How many objects (pennies, books,...) can you stack before the tower falls? Then count how high you were able to make the tower.
 Water Droplets How many water drops fit on a coin? Find coins around your house and see how many drops fit on top.	 Self-Portrait Look in a mirror and draw a self-portrait. Include as much detail as possible.	 Book Talk Talk about the following: Where does the story take place? Who are the characters? Draw the setting and characters.	  Take A Walk Go on a hike! Count objects you find. (leaves, stones on a hike...)
