

We the undersigned members of Nottinghamshire County Cricket Club (the club) require an Extraordinary General Meeting to take place at Trent Bridge at a convenient date and time set by the General Committee to maximize attendance of the club's members. The agenda is set out below:

“1. To consider all aspects of the club’s officials handling of any discussions held amongst any of the counties and/or the ECB relating to any matter connected to the High Performance Review especially any implications to alter the future schedule or structure of county cricket.

2. To discuss the communications to members and the level of involvement of members ahead of the club casting its vote on the future structure/schedule.

3. To discuss in detail the views of club officials on the merits of the various options considered and receive a detailed explanation of why they voted as they did.

The following resolutions will be considered by the meeting:

A “The members have confidence in how the club officials managed the process, communications and member involvement.”

B “The members have confidence in the actual vote cast by the club’s chair on behalf of the members
