

A box was accidentally shipped to you from Southern Williams Technical College. Among the strange materials inside, you find a label saying the contents belong to Clarence X. Greene.

What is this?

[Side Character Quest](#) has teamed up with [Parable Games](#) to demo their new entry into the horror genre: [Don't Play This Game](#). Ty (the host of SCQ) played through an early version of the game, creating a “record” of the playthrough for you to use during *your* playthrough!

Not interested in playing the game yet? [You can listen to Ty's record here](#), on Side Character Quest's podcast feed. The episode stands alone as
