

The Strongest, Hardest Working, Competent and Most
NEXT-LEVEL Version of Myself.

Step 1 - Where do I want to go?

- I want to compete against this version of myself 24/7 and absolutely obliterate every challenge, roadblock or problems I face.
- This is the version of myself that actually did everything he was supposed to do (+ 10X'd EVERYTHING) for the last year in TRW.

Step 2 - Where am I now?

- Getting outcompeted everyday by this version of myself.
- Everything I'm THINKING of doing, this version of myself is ALREADY doing.

Step 3 - What are the steps to get from where I am now to where I want to go?

- List of all the abilities, character-traits, etiquettes, network and mindset this version of myself has. 📌

Character-traits

- Built like Hercules, ripped body full of nothing but pure muscles and results from intense and driven workouts every day.
- Charisma-level so high he can land every client he wants, and close every deal he ever wants.
- He LOVES the process. He doesn't dread having to sit down and write compelling, innovative and creative copy that stands out from the rest.
- Is an expert at communicating with his girlfriend, mother and friends.
- And a force for good in the world of evil. Does everything he can to keep his loved ones and himself safe.
- Everyone in his network is DESPERATE to work with him, when he enters the room, they notice it.

- Wakes up in the morning with FIRE-BLOOD, doing a set of pushups to get the energy going.

The Real World & The War Room

- Captain and well-respected member of the Copywriting Campus.
- Provides an INSANE amount of value to the students and his fellow Captains.
- Has contact with professor Andrew, Arno, Dylan and the Tate-brothers.
- Has implemented all the lessons from the Copywriting campus.
- Has a Network of driven, masculine, hard-working men who are obsessed with nothing but pure CONQUERING.
- 10X'es EVERYTHING - Including daily-checklist, reviewing fellow student's copy, gym-sessions, chats with his fellow conquerors and everything else he does in general.

Family & Lifestyle

- Lives outside a major city in an open plains-area with at least 100 meters distance between anyone else.
- Mansion-like house, home-gym, home-cinema, huge underground batman-like garage with enough space for at least 3 super-cars, jacuzzi, large pool in the backyard, house is 2 floors, open, big and wide windows.
- Massive home-office - rectangle shaped, dark-room, with massive work-set up at the end of the room. 4-5 monitors, 2 pcs, half-circled desk with a throne-like king's chair. In the middle of the rooms there's a big, round table, with 6 chairs around it, meant for agency-crew meetings where me and my member come together to plan out future BATTLE PLANS.
- Lives with a beautiful, submissive, feminine, stay-at-home wife who loves me and my work, as well as respects me. Brown hair, medium

length, around 160cm tall, somewhat brown skin, blue, shining eyes, with a cute smile of perfectly white teeth, warm and model-like body.

- Family members live not that long away, so they can come over for the holidays (christmas etc) and spend time with us.

Money and Geographical Freedom

- Works from home in dream-office.
- Gets up early to work all day until the evening, where I spend time with my wife.
- Copywriting & Marketing Agency that makes me and my members filthy rich.
- Does boxing with friends and fellow G's from The War Room
- People that manage crypto and investments accounts for me.
- 2 sports cars, one being an Audi rs8.
- Can buy whatever I want without even looking at the price. My card always works no matter how expensive it is.
- Owns different weapons like knives and Katana blades.
- Has multiple different clients making our Agency so rich it feels illegal.
- My closest friends all have different money-making skills helping the Agency become richer, better, and more successful meaning that my future children will never suffer.
