Campbell moved to approve the minutes of the March 3, 2021 meeting; Barnett seconded; motion passed.

KCHPC had emailed a letter to the Kiowa County Administrator concerning Section 106 and how the KCHPC can be of service in working through those situations. Board of County Commissioner meeting minutes did not show that the letter had been shared with the Commissioners.

McCloud reported on the progress of the State Historical Fund planning grant for the American Legion Hall at the county fairgrounds. She feels the grant will be close to completion by the next meeting in June.

Barnett completed letter of information about historic tax credits to be sent to business property owners who have historic commercial buildings in the county. A list of seven businesses was made for the initial mailing. Response to the letters will determine further action.

Courkamp has included an electronic nomination form for historic property designation application on the KCHPC website.

KCHPC will start looking over its bylaws to determine if they need to be updates.

Next meeting scheduled for June 2, 2021.

Campbell moved to adjourn; Barnett seconded; meeting adjourned.

Respectfully submitted,  
Cindy McCloud
