3. Contact / Title:
4. Email address:
5. Phone:

With this complaint we / I hereby inform your company that the following Product sold by the seller on Shopee allegedly infringes the intellectual property rights / NCC&BSMI certification of the rights owner, and request your company to remove the said Product from Shopee promptly:

Reason Codes	
T. Trademark infringement (Please include TW trademark certificate.)	
T1	The Product uses a mark confusingly similar to the proprietor's registered trademark, likely causing consumer confusion. (Please explain or provide supporting evidence of consumer confusion caused.)
T2	The Product is a counterfeit product. (Please explain reasons of assuming skeptical counterfeit e.g., comparison or the result of test purchase.)
T3	The proprietor of a foreign registered trademark is different from the proprietor of another trademark registered in Taiwan, and the Product is indeed imported into Taiwan from abroad. (Please provide information of the foreign trademark registration)
T4	The Product uses the proprietor's registered trademark for unauthorized advertisement, promotion or other inappropriate description. (Please specify reasons.)
T5	The Product was repacked from the original sealed packaging by the seller, likely changing the nature of the Product or damaging the Product.
P. Patent infringement (Please attach TW patent certificate and patent infringement analysis report.)	
P1	The Product infringes the patentee's patent – Please attach Technical Evaluation Report in compliance with Art. 116 of Taiwan Patent Act for utility model patent.
C. Copyright infringement (Please attach URLs of the original copyrighted work(s), original image(s) or other evidence in proof of copyright ownership.)	
C1	The copyrighted photo or text of the rights holder was appropriated by the Product. (Please specify reasons regarding your claim.)
C2	The Product is an unauthorized (pirated) good. (Please attach explanation or comparison of the pirated and authentic products)
C3	The Product is found to violate the regulations on parallel importation (e.g., books, CDs, or movies imported from abroad, etc.) (Please specify reasons regarding your claim.)
N. NCC certification misappropriation (please provide the Type Approval for CTRFD or Simplified DoC for CTRFD)	
N1	The Product's NCC certification is found to misappropriate others certification
B. BSMI certification misappropriation (please provide relevant documents such as commodity inspection mark certificates)	
B1	The Product's BSMI certification is found to misappropriate others certification
