Pioneering Client-Centric Dining: Welcome to Main Chedi Thai La Jolla's Happy Hour

Understanding that the customer's voice is vital to their success, Main Chedi Thai Bistro has developed an innovative Happy Hour menu - a culmination of client feedback and culinary creativity. Distinctively chosen from their established lunch and dinner menus, these dishes mirror the preferences of their loyal clientele. As the co-owner, Tom, shares, the inclusion of any dish in the Happy Hour menu is governed by one simple rule, "If our customers love it, we serve it".

Embracing this philosophy, many customer favorites have found their way into the Happy Hour selection. The Tofu Summer Rolls, initially a part of the dinner menu, have now become an integral part of Happy Hour, thanks to their soaring popularity among patrons.
