

For my heart and all my loneliness,
Find me, please find me.
For my loss and all my brokenness,
Find me, please find me.

For all the times I've turned away,
And the times I've begged you stay.
For when I can't seem to face one more day,
Find me, please find me.

(chorus)

I need you.
I need you.
I need you.

You're my hope,
When hope just can't be found.
You find me. You find me.

You're my grace
Where light and love abound.
You find me. You find me.

I need you.
I need you.
I need you.

You're my grace
Where light and love abound.
You find me. You find me.

And how could I have known
That you don't, You won't let go?
And how You love, and love and love me so.
You find me, You find me.
