

Adding the Panopto Block to eClass - eClass 4.2

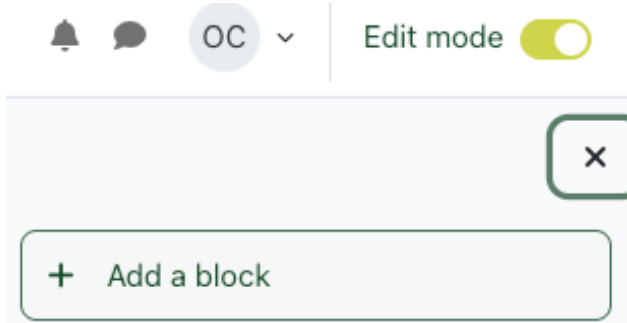

To add the Panopto block to eClass make sure to "Turn editing on".

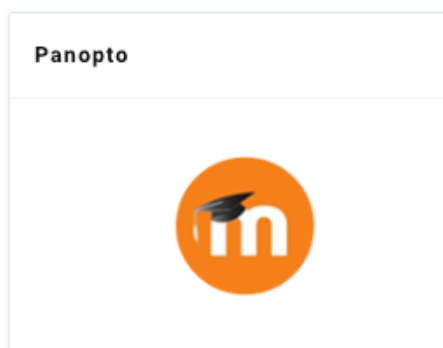

Open the navigation drawer on the right via the arrow at the top of the page.

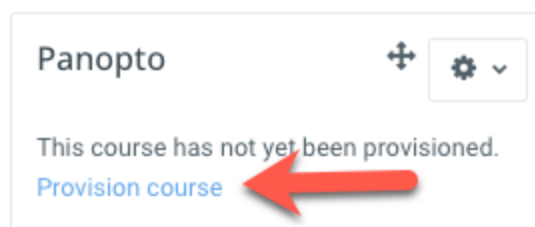

Click on the **Add a block** button. If you don't see it, make sure your editing is turned on.

A pop-up will appear, listing all the possible blocks you can add. Locate the "Panopto" item and select it.

Locate the Panopto block in the navigation drawer on the right and click on the **Provision Course** link. This will create a folder for the course on the Panopto server.

Once the course has been successfully provisioned, click on **Back to course**.
