

## **2023 Northern Girls Wrestling Qualifier, presented by the UFC**

The 2022 Northern Nevada girls wrestling qualifier, presented by the UFC, is scheduled for Jan. 28, 2023 at McQueen High School in Reno.

McQueen High is located at 6055 Lancer Street in Reno. The phone number to the main office is 775-746-5880.

McQueen's athletic administration and coaches will serve as site directors.

### **TOURNAMENT FORMAT**

Each team is permitted to enter one competitor per weight class plus a total of up to four (4) extra/independent qualifiers.

Each weight class will have a bracket to the power of two nearest (but not fewer than) the number of entrants, seeded according to NIAA policies.

The championship portion of each bracket is single-elimination. The consolation part of the bracket wrestles to full third and fifth-place matches.

## **MEET SCHEDULE**

### **Tuesday, January 24, 2023**

#### **Entries are due by 3 p.m.**

Coaches will be declaring meet entries to the meet director online. The meet director will send the login and password information to each school. The timeline requirement is the same as is stated in the tournament instructions. **Coaches also must include in the comments area which wrestlers are the non-scorers.** A maximum of four wrestlers per school may be entered as non-scoring, but a team may have no more than two wrestlers entered in any weight class.

Contact the meet director with any questions.

The Meet Entry and Declaration process must be completed online by 3 p.m. on January 24.

Failure to complete the meet entry and declaration process by the deadline will result in the team's head coach being suspended for the first round of the region/league tournament.

The coaches and seeding meeting will be held Saturday, Jan. 28 at McQueen prior to the start of the meet. Coaches must have available at the meeting copies of their wrestlers' individual record verification form(s) — match results and weigh-ins — as posted on the nwca.com site.

No changes to the original entries are permitted after the meet entry and declaration form has been submitted to the meet director. The exception to this in the event of injury, illness or ineligibility, in which case the change must be a direct substitution of specific individuals only. Wrestlers will not be permitted to change weight classes. These substitutions are permitted only until the start of weigh-ins before the first session of the meet.

All entered individuals must compete in their scheduled weight class or be deleted from the bracket and meet. Wrestlers failing to make weight any day of the event will forfeit. Refer to the General Information section for additional details.

Teams may not substitute for a non-scorer who may later be removed from the entry list due to injury, illness, ineligibility or other justifiable cause. The school's maximum of four original non-scoring entries will remain in place as a maximum of four.

### **Designated Health Care Professional Role**

Designated on-site appropriate health care professional(s) are to be present at all rounds of region and state wrestling tournaments.

Per NFHS Wrestling Rule 8, Section 2, Article 5, “A designated on-site meet appropriate health care professional who determines a wrestler should not participate shall not be overruled.” This statement refers to a wrestler who has sustained an injury and/or exhibits signs, symptoms or behaviors consistent with a concussion. In the case of an injury, particularly a suspected concussion, evaluation of the injured wrestler to allow for the designated health care professional to permit the wrestler to continue in that match may exceed the injury time allowed by rule 8-2. If the designated health care professional does not clear a wrestler to continue within the allotted time per rule 8-2, the match will terminate with the appropriate wrestler per rule 8-2 being declared the winner by default (also see rule 5-28).

When a wrestler becomes unconscious from a choke out, after two (2) minutes of recovery time or 1½ minutes (90 seconds) of injury time and with the approval of a designated health care professional, the wrestler may continue to compete. When no appropriate medical personnel is available, the match will be deemed a medical default.

When the health care professional designated by tournament administration renders a decision that a wrestler should not continue to compete in the current match or additional matches in the tournament, that decision is final and shall not be overruled by another health care professional who is not designated by the tournament.

Additionally, per rule 4, section 2 in reference to suspect skin conditions, “If a designated, on-site meet appropriate health care professional is present, he/she may overrule the diagnosis of the appropriate health care professional signing the medial release form for a wrestler to participate or not participate with a particular skin condition.” The provisions of Rule 4, Section 2 will be followed as they appear in the rules book.

## **GENERAL INFORMATION**

All postseason wrestling tournaments will be governed by the National Federation of State High School Association's rules book and this meet information packet. The packet and the manuals mentioned herein are legally binding documents for this meet.

Each team is permitted to enter one competitor per weight class plus an additional four (4) extra/independent qualifiers.

Postseason tournaments are based on 16-person brackets with the exception that if there are eight (8) or fewer OR 17 or more entries in a particular weight class at a meet, the bracket will move by a power of two (8- or 32-person brackets).

The meet director and staff will pre-seed the tournament and have seedings available for review at the coaches meeting prior to the first session of the meet. All bracket adjustments will be made only at this meeting. Coaches must have available at the meeting copies of their wrestlers' individual record verification form(s) — match results and weigh-ins — as posted on the [nwca.com](http://nwca.com) site. Final seeding will be complete prior to the start of the first session of the tournament.

A coach/team may substitute an alternative wrestler for their particular injured/ill entrant until the start of weigh-ins before the first session of the tournament. Individuals may not change weight classes, and substitutions must be person-specific only. Substitutions must be submitted in writing to the meet director prior to the start of weigh-ins.

The top four (4) finishers in each weight class in both the Northern and Southern qualifiers advance to the Girls State Invitational, to be run concurrently with the NIAA state championships on February 10-11, 2023 in Winnemucca.

A wrestler competing in this qualifier may not compete in any other NIAA-related postseason event (except for the Girls State Invitational if the wrestler qualifies).

The dress code for coaches will be in effect and enforced during all sessions.

**Sportsmanship** — Citizenship and etiquette must be displayed by all in attendance. No artificial noisemakers of any kind nor any signs or other objects that could impair spectator vision will be permitted in the venue. Filming/cameras may be permitted at the venue if their use does not interfere with tournament operations. Meet and site directors have the final say on all such matters.

Wrestlers shall wear their school's official warm-up or team uniform while accepting awards. No additional apparel, signs or adornments (with the exception of face coverings) shall be displayed during the awards presentation.

**Spectator admission** — All ticket sales will be online through HomeTown Ticketing, the NIAA's official ticketing partner. Tickets may be purchased directly through the NIAA website or through the HomeTown Ticketing app.

Ticket prices (per day) are:

Adults – \$12

Students (High school age and under, with valid student ID) — \$5

Children (ages 8 and younger) — free

Please note that NIAA Courtesy Cards and Lifetime Passes will be honored for the legitimate pass holder (identification required) and one guest.

**Media** — Coaches and student-athletes are asked to cooperate with any accredited media who cover the meet. Media requests for interviews and season information should be honored appropriately.
