Hosting Agreement for I-LYA Travelers Series Events

1) **Hosting Fee**: ***$250.00*** hosting fee paid to ***I-LYA Junior Traveler Series*****, *Due no later than June 15, 2026.*** Blank invoice below; please print, complete and mail. Funds are used to purchase the Overall Series awards. (Hoping to provide invoicing and statements through theclubspot.com)

2) **Clubspot:** ClubSpot for on-line registration and scoring is required and all I-LYA TS events will be entered prior to March 15, 2026. (If you prefer your own scoring program, results entered at theclubspot.com are required.) Each hosting club is responsible for accurate posting of their event's results.

Please follow this link for the full list of events:
https://theclubspot.com/dashboard/acct/rQA8zst50Q/events/regattas

a) Complete Instructions available in the Event Organizer section on the Traveler Series page. Read them. b) Please remove sailors who pre-register but do not show up before scoring your event. c) Please register your event prior to the beginning of the series, preferably by May 1, 2026 or at least three weeks prior to the event. Your Travelers Series Contact has been provided a cloned series in theclubspot.com - invitation received via their email as listed in the Club Contact sheet.
d) It is recommended that you NOT use that process through Clubspot for the Traveler's Series events. IF you decide to "collect payment offline", you will be charged $4/entrant. This amount is due to I-LYA along with your Host Fee and is over and above the Host Fee.

3) **Templates:** NORs and Sailing Instructions are available in the Regatta Management Tab.

4) **Standard Series Forms:** "Membership" to I-LYA is required for the competitors when registering for the first Traveler's Series regatta. The Series Waiver and Medical Form are completed at that time.

5) **Food and More:** For planning purposes, please clearly communicate in your NOR and on theclubspot.com registration page the included food and timing (e.g.: before/between/after races). Please share if food and/or merchandise (e.g.: regatta shirts) will be available for purchase and at what cost. Also, provide club payment options (especially if your club does not accept cash or credit).

6) **Youth Concussion Laws:** I-LYA requires compliance with the youth concussion laws in the state where an event takes place. An I-LYA Concussion Info Sheet is available on the website. Please read carefully. Always talk to your program risk management team.

7) **Opti Scoring:** Opti sailors are to be divided into one of three groups according to each sailor's age at the time of the event; Opti Red (13 and over), Opti Blue (11-12) and Opti White (10 and under). All sailors will race together, but are to be scored only among those competitors within each age group. If any age group has less than three competitors, awards for first and/or second place finishes are to remain. Overall placings will be used for the Travelers Series season results. Awarding overall trophies in addition to Red, Blue and White will be at the discretion of the host club.

8) **Green Fleet:** Please acquaint race personnel with the Green Fleet philosophy. Green fleet scores can be posted at regattas, but per USODA recommendations only participation awards should be given and scores will not be published at theclubspot.com. Green Fleet course management tips are at the bottom of the Opti Info page of the website. Opti Green Fleet Metals are available from USODA for a small fee. Please complete this form to obtain the metals.

I-LYA Jr. Council & Committee and all the I-LYA families thank you in advance for all the work you and your club will endure as a Host. We appreciate your efforts and look forward to a safe, fun, competitive summer.
