**Personal Data** means information that relates to an identified or identifiable individual. In this Application, no Personal Data is collected or transmitted outside the Device.

**Service** refers to the Application.

**Usage Data** refers only to information processed locally on the Device for the purpose of providing the Service.

## Collecting and Using Your Data

### Personal Data

The Application does **not** collect, store or share Personal Data with the Company or any third parties. All data is stored and processed locally on Your Device.

### Permissions and File Access

The Application may request access to files and storage on Your Device. This is required only for the following purposes:

- To allow the Application to function properly (e.g. saving user input or app data locally).

- To enable the Application to read and write data on the Device's storage when necessary.

The Application does **not** access, collect, or share Your photos, media, or files with Us or with third parties. All processing remains strictly local to Your Device.

## Children's Privacy

The Application does not collect any personal information. It can be safely used by individuals of all ages, including children.

## Security of Your Data

Since no Personal Data is collected or transmitted, there is no risk of Your data being shared externally. All information stays on Your Device.

## Changes to this Privacy Policy

We may update Our Privacy Policy from time to time. Any changes will be posted on this page with an updated "Last updated" date.
