

Privacy Policy

Nature Guardian

Effective Date: July 23, 2026

Thank you for playing **Nature Guardian** ("the App"). Your privacy is important to us. This Privacy Policy explains how the App collects, uses, stores, and protects your information.

By using Nature Guardian, you agree to this Privacy Policy.

1. Information We Collect

Nature Guardian is designed to respect your privacy.

For the current version of the App, we may collect or store the following information:

Gameplay Information

The App may locally store:

- Level progress
- Coins earned
- Nature Points
- Achievements
- Rewards
- Settings (music, sound, vibration, notifications)
- Current unlocked areas
- Game preferences

This information is stored on your device to allow you to continue your progress.

2. Personal Information

Nature Guardian does not require you to create an account.

The App does not intentionally collect personal information such as:

- Name

- Email address
- Phone number
- Home address
- Government identification
- Financial information

unless you voluntarily provide such information in the future through customer support or future features.

3. Children's Privacy

Nature Guardian is suitable for players of all ages.

We do not knowingly collect personal information from children.

If you believe that a child has provided personal information, please contact us so we can take appropriate action.

4. Notifications

If enabled by you, the App may send optional notifications such as:

- Daily rewards
- Gameplay reminders
- Event reminders
- Other game-related notifications

You can disable notifications at any time through your device settings or within the App.

5. Offline Gameplay

Nature Guardian is designed to work primarily offline.

Most gameplay does not require an internet connection.

6. Advertising

The current version of Nature Guardian does not display third-party advertisements.

If advertising is introduced in future updates, this Privacy Policy will be updated accordingly.

7. In-App Purchases

Future versions of Nature Guardian may include optional in-app purchases.

If implemented, purchases will be securely processed through the Google Play Store using Google Play Billing.

We do not collect or store your payment information.

8. Data Security

We take reasonable measures to protect information stored by the App.

While no method of storage is completely secure, we strive to protect your information using appropriate security practices.

9. Third-Party Services

The current version of Nature Guardian may use trusted third-party services only where necessary for App functionality.

Examples may include:

- Google Play Services
- Google Play Billing (future versions)
- Firebase (if implemented in future updates)

These services operate under their own privacy policies.

10. Changes to This Privacy Policy

We may update this Privacy Policy from time to time.

Any changes will be reflected by updating the Effective Date at the top of this document.

Continued use of the App after changes become effective constitutes acceptance of the updated Privacy Policy.
