

CEDAR FALLS WRESTLING

Greetings Tiger Wrestlers, Parents, and Fans!

Are you begrudgingly taking stock of your softener salt supplies; contemplating whether you have enough to make it through the winter? We get it. Carrying bags of softener salt isn't fun, especially in the winter. Luckily our Cedar Falls Wrestling softener salt fundraiser is now open for orders! Not only will you get the salt delivered to your house and to your desired location in your house, you get to help support our wrestling program. At the same time our wrestlers get to connect with the people of our community and get a workout in. Win win! **Our wrestlers will even take the bags all the way downstairs if necessary!**

Fundraising is a vital part of our kids ability to have continual opportunities provided for them.

A large portion of this year's proceeds will go towards ensuring that our wrestlers have the necessary equipment and apparel needed to be a team. Additional funds will be used to support our wrestlers with food/drink throughout the year, upgrade any necessary equipment, and ultimately allow all wrestlers to not have worries with any outside barriers to the sport.

This fundraiser will be completed by all wrestlers in the program. Our goal is that each wrestler that assists in the fundraiser sells 20 bags of salt. We will be offering both the pellet and crystal option to customers. These would be 40 lb. bags.

All orders will be logged electronically via the link below. When taking orders, we would ask that wrestlers complete the form for each customer, including their own name as the designated wrestler for the sale. Additionally, we will share the link online, allowing others to complete their own purchases. Those customers will be able to designate their purchase to their wrestler of choice as well. **Salt can be paid for prior to delivery or upon delivery through Venmo, cash or check:**

Venmo to: @CedarFallsWrestling

Checks can be written to: "Cedar Falls Wrestling"

SIGN-UP FORM: → <https://forms.gle/8qwAcD6ytb8pDEwv9>

Salt sales will begin **Tuesday, September 1st** and continue through **Thursday, October 1st**. Salt deliveries will take place on the morning of **Saturday, October 10**.

Each bag will be sold for **\$11**. If people do not want to buy salt but would like to give a donation, we would certainly appreciate that as well. Fareway in Cedar Falls has graciously offered to be our partner in this endeavor. We are thankful for their help!

Thanks for your help in supporting the Cedar Falls Wrestling program.
