APPROVAL OF MEMORANDUM OF AGREEMENT

Motion to approve the MOA at the \$2,800 stipend as presented at the Sept. 8th School Committee Meeting

- Motion by Christine Myaskovsky
- Seconded by Kara Lizardi
- ***Vote: Unanimous***

Discussion: Mr. Bodwell explained the course cost (\$325 per student) and noted this pilot is needed for students who require a fourth year of math but lack available options. Two trained teachers volunteered to run the course, using existing online platforms.

Mr. Waller asked how this differs from past online offerings. Mrs. Dragonetti asked about the budgeted amount and why costs are lower than in prior years. Mr. Bodwell responded that interest is strong, costs are structured differently, and selection will be based on student scheduling needs if more students apply.

It was agreed that the program will be reviewed with a midyear check at the January meeting.
