Spelling List 15 - B
Vowel-Consonant-E Syllables – "o~e"

Lesson:

1. All of these words will have the long "o" sound. They will be spelled with a "o," a consonant, and then an "e". The "o" is long and the "e" is silent.
2. This lesson contains both closed syllables and vowel-consonant-e syllables

****

B = bonus word (+2)
V = vocabulary word – spell the word and write the definition with correct spelling
