

Mrs. Englert's 25-26 Math Page Tear Out Sign-Up Sheet

In first grade we have a lot of pages that need to be torn out of our workbooks. To ensure smooth transitions (and untorn pages) in class, having a few parents volunteer to assist in tearing out our chapters will be extremely helpful. Ideally I would like to have two individuals per month. More information to follow. Thank you in advance!

Month	Parent Name/Name Of Student	Parent Contact Info (email and phone)
