Make Hiring Easier with Automated Outreach and Interview Scheduling

No more sunk costs on no-shows. **PreIntent** takes care of communication, scheduling, reminders, and much more. Relax — the candidate will be there, and the empty role will be filled quickly.

Capture the Best Candidates with Ease

Step 1. Let qualified job-searchers know you want them by sending a customized survey to lock in their interest.

Step 2. Once you review the application, prompt the PreIntent automated system to schedule the interview.

Step 3. Conduct the interview and *hire!*

Why PreIntent is Different

PreIntent creates a consistent, automated connection between you and your top candidates. It takes the busywork of hiring off your hands, but unlike other hiring automation solutions, you

can track the entire hiring process and send personalized messages that don't sound like a "bot."

Interview Scheduling

No more "phone tag" or "calendar tennis" to get one measly interview on the books. **PreIntent** syncs with your calendar and allows the candidate to choose a time and date that works with *your* schedule.

Constant Contact

PreIntent keeps your prospect warm with email, SMS, and voicemail reminders. Candidates follow the path of least resistance; by making the process easy, yours will be the interview appointment they *keep*.
