Setting

Your babysitter is Simon, and you are forced to listen to them. Right before bed, they suggest playing a game to get you tired. The game is hide and seek. You have to change your hiding location based on Simon's requirements. Survive.

You also have a little sibling who is a narc. If you don't follow Simon's commands, they'll tell on you and you'll lose.

Target Audience

Adults. Baby-Horror. No gore, blood, etc. Not easy, but also hardcore like dark souls.

Goal

Survive and get through the game. Listen to all of Simon's commands, while staying hidden.
