The selection of non-resident students for admission will be in the form of a random drawing when the number of requests exceeds the number of available spaces. There will be two drawings for this purpose. The first will take place during the last week of the current school year but no later than July 1st. The second will be conducted during the week immediately preceding the opening of the next school year and will be based on the possibility of unexpected additional openings.

Students accepted will be notified by telephone and follow-up letter and must register no later than 10 calendar days after a drawing date.

The application process will be handled by the Office of the Superintendent, and not the individual schools.

If you have any questions, please contact Sarah Miller, Executive Assistant to the Superintendent at 508-398-7605 or millers@dy-regional.k12.ma.us.
