<http://www.mangaupdates.com/series.html?id=22382> (Note: As stated by Shibari D, "I would say the Girl Friend (GF) is not Yandere or at best a minor Yandere. On a 1-10 scale I would say Crazy = 0 to 2, Love = 0 to 1, Violence = 2 to 5." I personally have not confirmed this myself yet, so I will trust his comment for now. I will eventually read it when the time comes.)

her a yandere because I don't feel that love even though she has some loose screws on

justify her yandereness. As for now, I won't include it on the Manga thread.)
