

The Concordat of the Convened Council

In accordance with the Socrates Concordat. The Convened Council will be made up of 6 appointed Councilors who are active members of the towns within the former Kingdom.

1. The Council can take a session at any time with the announcement of a session with the approval of the chairmen
2. The Councilors may propose bills and with a majority, they can have it pass with the approval of the chairmen. If vetoed, they can revote and a $\frac{2}{3}$ majority the Council may pass it.
3. After session 1, A quorum must be met of at least 3 members and the Chair.
4. All laws must be posted on the master-post on the forums.
5. The goal of the Convened Council will be to construct the Concordat which will govern Socrates. It will be written under these principles.
 1. Freedom
 2. Equality
 3. Socialism

Councilors can be appointed by the Council or by the Chairmen's approval by the Council. Each councilor has 1 vote, the Chairmen gets 1 vote. In a tied vote, the Chairmen get to tie break.

X. It will be an option for the Council to convene over means outside of the game: ie Discord, forums. The operation and the quorum will be the same among all other traits.
