WHAT DOES A CREW LEADER LOOK LIKE?

Below are some characteristics that we see demonstrated in our Crew Leaders. We would encourage you to spend some time talking with other Crew Leaders and Managers to see if there are other things they would add to this list as well as if they see you demonstrating these characteristics in your day-to-day work.

Leaders provide supervision to all areas of the Chick-fil-A business relating to the daily operations of the business. Crew Leaders are responsible for leading their daily shifts, including supervising the team and processes to ensure operations either in the front or back of the house are running smoothly and efficiently.

Responsibilities

- 1. Leads the team on daily shifts by coaching to better performance, celebrating successes, and taking disciplinary action when needed.
- 2. Monitors sales and labor productivity and makes appropriate adjustments to labor hours as necessary. Monitor any waste during shift to adjust for sales volume.
- 3. Address, document, and report any disciplinary action for violation of policies including but not limited to timeliness, civility, work ethic, etc.
- 4. Show ability to effectively train new team members on all aspects of their role
- 5. Manage financial accountability including cash management in drawers and safe, InForm reporting, borrow/loan log, change fund and waste reporting.
- 6. Ensure team members on shift are focused on standards and procedures, food safety, quality, food service, accuracy, and a remarkable guest experience.
- Handle guest issues on shift and ensure guests are leaving highly satisfied with their dining experience. Answer phones within 3 rings as well as return missed calls or messages left on voicemail on the office computer.
- 8. Problem solve challenges during the shift and work with team and other leadership to find solutions for issues including but not limited to equipment failure, staffing levels, inclement weather, power failure, etc.
- 9. Utilize appropriate channels to communicate with other leaders regarding any issues that are relevant across multiple shifts. Ensure that other Crew Leaders are set up for success before leaving your shift. Support other leaders that are leading shifts and be respectful of their leadership style when they are the assigned leader.

Business Requirements

- 1. Have availability to open or close business as needed and available for Saturday rotations amongst leadership as needed.
- 2. Must have buy in from other Leaders in the business and maintain a positive image amongst the team.
- 3. Must be on good standings with the business and have great attendance.
- 4. Treats others with honor, dignity, and respect and is able to effectively encourage, coach and discipline team members to maximize productivity and team success.
- 5. Ability to manage systems and processes, technology and other operational requirements of day to day business.
- 6. Focused attention to detail, cleanliness, and guest perception and experience.
- 7. Effective communication, interpersonal, organizational, and teamwork skills.
- 8. Must be able to support and help cultivate the vision and values of Chick-fil-A Murphy & Wylie Shopping Center.

Skill Requirements

Leadership Training includes a mastery of the following items. Leaders in Training will be guided through these items with another leader or day-part manager to ensure that they show proficiency in these following items.

Leaders in Training will be required to go through the following skills. After you master a skill, you will need to get another Leader to sign-off and state that you have gone through the content and understand it in full.

Alarm Code Access and Store Keys

Leaders are given a code to turn the store alarm on and off when needed. They are also given keys so that they can access the building in the morning or close the business in the evening. As a Leader, you will be required to know your alarm code and to be accountable for your keys.

Opening and Closing
Leaders should be capable of either opening, or closing the store, based on availability. If a
Leader is opening, they should be able to get the business up and running by 6AM in time for
our guests arrival. If a Leader is closing, they should be capable of closing the business in
such a way that operations and guest experience are not affected. They will need to know
how to power off equipment, and how to do a final walkthrough to ensure that the business
is safe and tidy for the following business day.
Signature:
CFA Home Access
As a Leader, there may be times where you need to access CFA Home. You may need to
check a Team Members clock in PIN, or you may need to pull a specific report. A Leader in the business should ensure you have Leadership Access on CFA Home, and then they
should walk you through all of the common functions you will use on the site.
