

Foreign Affairs ministry calls for an end to Switzerland

31 October 2021

The Minister for Foreign Affairs, in conjunction with the Deputy Prime Minister, is today calling for the international community to take action on the continued existence of the demonic nation of infidels and harlots known as the Swiss Confederation.

We wholeheartedly believe in the forward-thinking vision of leaders such as Colonel Muammar Gaddafi, and are today taking the brave stance of endorsing the Colonel's plan of a partition of Switzerland between Germany, Italy, and France.

As part of our plan to pursue an end to Switzerland by 2050, the Foreign Affairs ministry has today declared Swiss ambassador to New Zealand Michael Winzap to be *persona non grata*, which also extends to other staff at the Swiss embassy in Wellington, who now have 24 hours to leave the country.

Minister for Foreign Affairs TheSensibleCentre will tomorrow be engaging into negotiations with President of France Emmanuel Macron, Chancellor of Germany Angela Merkel, and Prime Minister of Italy Mario Draghi in a cordial manner with the aim of properly placating the terrorist state of Switzerland, and ensuring that it is wiped off the map in as short amount of time as possible.
