Enrichment Summer School Update:

District 66 has made the difficult decision to pause Enrichment Summer School for this year. Although this popular program is well received by families and students alike, we have decided to focus instead solely on academics this summer. Targeted Summer School will operate June 6 - June 24, 2022. Families will be notified by early May, if their child has been recommended for reading and / or math support. Targeted Summer School is free of charge to families and busing is offered (thanks to a grant) to those who need the help. If you have specific questions about either Enrichment or Targeted Summer School please do not hesitate to reach out to Kim Liles, Director of Student Services (kliles@ccsd66.org).
