July 2020- July 2023

- Extensive experience with teaching technology such as Google Classroom, Peardeck, and Zoom.
- Extensive experience with distance learning lesson planning and virtual classroom management strategies.
- Implementation and careful consideration of the learning needs of students into scaffolding for virtual learning.

Pleasant Valley High School, Chico, CA- 11th Grade American Literature Teacher (Practicum II)

Jan 2020- May 2020

- Implemented technology in the classroom via Google Classroom, online study materials such as Quizlet or Kahoot, and youtube and other media.
- Created fully realized and in depth lesson plans for students at multiple levels of learning through use of technology, scaffolding, and one on one assistance.
- Introduced new materials in a way that was accessible and easy to understand for students at a variety of levels by providing many checks for understanding and multiple access points.

Pleasant Valley High School, Chico, CA- 9th Grade English Teacher (Practicum I and II)

Sep 2019- May 2020

- Provided a safe and welcoming space for my students by emphasizing respect, empathy, and open communication with peers and with authority figures such as myself.
- Maximized student engagement through class discussion, both teacher led and student led (such as philosophical chairs and socratic seminar).
- Demonstrated the ability to improvise and think on my feet while adjusting to student needs during a lesson.
