

View Goal Progress Pie Chart

Open **Branching Minds**

Click on the **Report Icon** on the left

Select **Custom Report Builder**

Click on **Academic Progress Monitoring**

Click on the **Filter** tool

Check off, **Subject Area**

Select Math or Reading then click on **Apply**

Under **Goal Status** check off

Goal in Progress

Goal Met

Goal Met Early

Goal Not Met & Improving

Goal Not Met and Not Improving

Then Hit Apply

On the right, under the drop down next to Table, select the Pie chart option

Under **Values** select **Goal Status**

Under **Group** select **Goal Status**

A pie chart should appear that will show you the Goal Status of the students

Click in any slice of the pie and the applicable students will appear below the pie.

You can now click on the headers above the student names to sort them by grade, Goal Status, etc...
