

Summer Nanny Opportunities Crib Sheet:

General tips:

- **Interview skills document:** [access here >>](#)
- **Salary:** varies from company to company & resort to resort - a lot of them offer a full package which includes your accommodation and food and therefore the pay is lower. Remember they often advertise it as an opportunity of a lifetime! So weigh up pay vs the experience.
- **References:**
 - Reference 1 - provide Freckles Nanny Training details for this (training@frecklesnannytraining.co.uk and 07468 435299)
 - Reference 2 - use your previous employer (nursery, school, pub, nanny family etc.)
 - Reference 3 - either provide another formal childcare reference, but if you don't have one then put down a character reference; perhaps someone you've babysat for / have informal experience with.
- **Register even when they say their team is full / applications are closed:** make yourself the person they think of when someone on their team drops out or they need an extra nanny - be at the forefront of their mind.
