*From Nancy Harrison:*

Our Mission is:

*From Michael Morgan:*

Mission Statement:

To share Christian Science annually at Burning Man as understood by the interpretation of the Holy Bible through the teachings of Christ Jesus and the writings of Mary Baker Eddy.

To spread and establish the teachings of the Sermon on the Mount and the 10 Core Principles

of Burning Man wherever we may be.

To break down denominational, cultural, racial, political, and social divisions based on the Golden Rule and recognition of God as an infinite Father-Mother that is divine Love.

To provide a space for moral and spiritual healing on the Burning Man playa open for any and all to experience.

Spiritual Inspiration to work with for this year:

"Go find my brothers and tell them, 'I am ascending to my Father and your Father, to my God and your God'" - John 20: 17

"Mind is the source of all movement, and there is no inertia to retard or check its perpetual and harmonious action" - Science and Health with Key to the Scriptures, 283: 4-6.

Any one want to add some more?

From Anna Lisa:

**Original:**

**Our mission is to actively bear witness to God's love for man in Black Rock City.**

**Revised:**

**Our mission is to actively share God's love for man in Black Rock City.**

Actions supportive of this:

- Loving each other
- Recognizing that loving God and one's neighbor is the core teaching of Christian Science, share this appropriately through foot washing, talks, or other appropriate means
- Prayer

Much love to all!

From AJ Kiser:

A piece of Michael's contribution stood out to me: To break down denominational, cultural, racial, political, and social divisions based on the Golden Rule and recognition of God as an infinite Father-Mother that is divine Love.

The term "Maundy" is fun and interesting, which is Latin and refers to the practice of foot washing, though it is closely linked to Catholicism.
