Executive Principal: Sally Brooks BA MA NPQEL

From September 2026
Geography Lead Teacher
MPS/UPS (Inner London) £40,317 to £62,496 pa
A TLR would be considered for the right candidate

Fulham Cross Academy is an exciting school built around the principles of learning at all levels for students and staff. We want colleagues to join us who feel passionately about offering the best possible education to the young people and community we serve, delivered through meaningful relationships and the understanding that everyone is different. We know that everyone requires support and guidance from various sources to become the best version of themselves and excel in life.

Fulham Cross Academy is a recently established STEM school situated in the heart of Fulham. We are quickly becoming the co-educational school of choice for our local area and have significantly grown in popularity over the past five years. As a result of this, we are developing our Humanities team and have an opportunity for a Geography Lead Teacher to join our growing department. The successful candidate will be a highly effective classroom practitioner tasked with shaping a curriculum that makes Geography a vibrant, indispensable subject within a modern STEM environment. The aim is to ensure that students experience Geography in a way that is engaging, intellectually challenging and directly contributes to developing their critical thinking. Ideally the candidate will have experience of teaching A-Level and will wish to continue to grow and develop their career at the Academy. We believe in a culture of learning for both staff and students and invest heavily in coaching, professional growth, and sustainable progress.

Application packs are available on the TES website, via email at personnel@fulhamcross.net and on the school website: www.fulhamcrossacademy.co.uk

The Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to show they share this commitment; an enhanced Disclosure and Barring Service certificate will be requested for the successful candidate in accordance with the relevant legislation.

Early applications are welcome. We reserve the right to interview and appoint sooner if the right candidate comes along.

Closing date: 9.00 a.m. on Friday 15th May 2026

Interview date: Tuesday 19th May 2026
