Oct. 22

Essential Question	What is the Accounting Equation?
Blog Post #9 - Beyonce	<p>Read the Article: Beyonce Teams up with Topshop</p> <p>Answer the following questions:</p> <ol style="list-style-type: none"> Who do you feel landed the better deal? Beyonce landing a clothing company, or Topshop landing a celebrity partner? Explain. When you become a huge celebrity after high school, what company would you partner with to create a new product or line? Describe who you would join forces with and the product/line you would come out with. When it comes to celebrities/athletes endorsing products, who do you feel has had the biggest impact on helping a company sell products?
Class Outline	<p>1) Watch PCTV Announcements</p> <p>2) Accounting Equation</p> <ul style="list-style-type: none"> ASSETS = LIABILITIES + OWNERS EQUITY <p>3) Check Accounting Transactions #1 with partners. Mr. Verhulst will check your paperwork for correct posts. Snap a picture of your work, and send your picture to your Google Drive. Link your picture to a Button on your Wix page.</p> <p>4) Now that you have some practice on using the Accounting Equation, let's see what kind of Accountant you are. Try Accounting Transaction #2.</p> <p>5) You will be posting your Accounting Transactions by taking a picture and emailing it to yourself. If you do not have a Smart</p>

	Phone, or your iPad, let Mr. V know and we can use a backup plan to get your work posted on Wix.
