

## Engineering Internships

1. The Jeffco Public Schools [Executive High School Internship program](#) is not available for the Class of 2025.
2. [Jeffco Public Schools Work-Based Learning Opportunities](#) (includes engineering opportunities). These opportunities are updated regularly so check back if you don't see something right away.
3. [CareerWise Colorado](#) is a high school internship program that matches students to companies. Some of the companies that may be of interest to you are CoorsTek, Lockheed Martin, ProStar, and Zap Engineering. There are a lot of companies participating and you may be familiar with more of them, so check it out!
