- Changes to the SAC Guidelines
 - Jenny gave a presentation to Latinx club, they said feel like certain guidelines in SAC are not conducive to formals and stuff, should we change?
 - Why are we not allowed to fund formals?
 - No idea, assuming that they cost a lot and formals are usually to members only
 - Amend laws for that
 - TDA: Costume guidelines for SAC are too stringent, want to expand that
 - Crystal: TDA has costumes custom-made every semester thus why its more expensive
 - SGA Funding:
 - Give half if they do not justify groupfunds
- Bug Charles to send out how to do budgets
 - Will hopefully have a finance workshop for students
- SLAM Reconsideration
 - Club requested for changing of allocations because they wanted change for costumes
 - Slam has 1900 in groupfunds
 - Specifically they are requesting 10k, approved 3800
