## **Requirements for High School Athletic Eligibility**

Grades: Student-athletes must have a 2.00 minimum G.P.A. during the previous semester (or

equivalent for different grading periods). If their GPA is in the 1.50-1.99 range, the student-athlete may use a **1 time/1 semester only (during 4 years of high school)** academic probation period (Paperwork from the Athletic Director and Conference with VP required for the probation period). Below a 1.50 GPA, students **are not eligible**. **Incoming 9th graders** must meet grade requirements based on the second semester of

their 8th grade year and /or summer school.

<u>Credits</u>: Student-athletes must <u>pass</u> 20 credits (4 classes) the previous semester and maintain minimum credits throughout their high school careers (as shown below). The following

credits must be met before the first day of each semester.

Incoming 9th graders start over on the number of credits in high school, but must have passed the 20 credits (4 classes or equivalent) second semester of their 8th grade year and/or summer school to be eligible.

For the graduating class of 2026

Grade level	First semester	Second Semester
Freshman	0	30
Sophomore	55	85
Junior	115	145
Senior	175	205

For the graduating class of 2027 and beyond

<u>Grade level</u>	<u>First semester</u>	Second Semester
Freshman	0	30
Sophomore	60	90
Junior	120	150
Senior	180	210

Both Chico High and Pleasant Valley will be in block schedule for 2024-25. Because students will be in 8 classes, instead of the traditional 6, credits may be changed in the

future. Please pay close attention to any possible changes to graduation requirements.

<u>Physicals</u>: All student-athletes must pass a **yearly physical** and have the physical form on file in the

Athletic Office **PRIOR TO ATTENDING TRY-OUTS OR PRACTICE**. Download

the Physical form from either high school website.

Athlete Committed: This is an educational program within athletics, which provides information to student-athletes and their parents to make the athletic experience in high school very positive and as successful as possible. Each student-athlete and a parent/guardian must attend an Athlete Committed program prior to gaining full eligibility to play in a contest.

<u>Code of Conduct</u>: <u>ONLINE</u>- <u>https://athleticclearance.com/login.php</u> All information must be read carefully and signed off before any student-athlete will be allowed to practice. A key component all stakeholders need to understand is the Code of Conduct is enforced 24/7.

Insurance: All student-athletes must be covered by medical insurance. If the student is not covered by a family plan, school insurance is available at a reasonable rate before school starts in August.

<u>Transportation Fees</u>: While transportation fees are no longer collected by the school district, the Sports Boosters at both high schools collect a donation to help the teams cut costs and reduce the amount of money the teams must fundraise.
