

PASSION PROJECT PLANNING

BELOW ARE A FEW QUESTIONS THAT COULD HELP GUIDE YOU TO A GOOD START IF YOU WANT TO OFFER A PROJECT SUCH AS THIS TO YOUR STUDENTS.

BRAINSTORM!!!

*ALL IDEAS ARE WORTH WRITING DOWN NO MATTER HOW CRAZY THEY MAY SOUND.

TAKE SOME TIME AND WRITE UP A FEW AREAS IN YOUR CURRICULUM THAT YOU COULD POTENTIALLY USE THIS STYLE OF ASSIGNMENT.

HOW WILL I STRUCTURE THE WORK DAYS? HOW MANY WORKDAYS? DAYS IN A ROW OR 1-2 DAYS A WEEK OVER A MONTH OR COUPLE WEEKS?

OPEN STRUCTURE CONCEPT VS. GUIDED STRUCTURE CONCEPT?

*WHAT AREAS DO YOU WANT STRUCTURE, WHICH ARE OPEN? (THE CONTENT, THE PRODUCT, GROUPS, TIMELINE, ASSESSMENT, GRADING)?

HOW WILL YOU ASSESS STUDENT PROGRESS AND RECEIVE/GIVE FEEDBACK?

*STUDENTS LEAVE NOTES AT THE END OF CLASS OF SUCCESSES AND STRUGGLES, WITHIN THEIR PROJECT.

WHAT STANDARDS/CONCEPTS DO I WANT TO ADDRESS WITH THIS PROJECT?

*ARE THERE OTHER THINGS YOU'D LIKE YOUR STUDENTS TO LEARN OTHER THAN THE STANDARDS? THINGS LIKE COLLABORATION, PROBLEM SOLVING, CREATIVITY, ETC...
