

# **2014 IVOMECA ANGUS FUTURITY CLASSIC**

## **Old Home Week – PEI Provincial Exhibition**

All entry fees must be received by July 21<sup>st</sup>.

<b>Late entries or payments will not be accepted, entries will automatically be disqualified!</b>
---

- All animals must be Maritime bred and owned but not necessarily by the same person.
- Calves must be born on or after January 1<sup>st</sup>.
- If an animal is sold, the new owner may continue payments and show the animal.
- There is no limit to the number of nominations, however only two animals/class/exhibitor will be allowed.
- If you have embryo calves, you must enter the recipient cows in December and please note that they are embryos and the tattoo of the natural mother.
- First and second payments must be paid on all animals in order to be kept active for next year. The third payment is for animals that will be showing in 2014.
- No substitutions.
- Registration papers must be shown (before the show).
- Yearling heifer class will be made up from heifer calves shown in 2013 only or calves that all premiums have been paid up and on time.
- 2-year-old heifers with calf will be made up from yearling heifers shown in 2013 or yearlings that all premiums have been paid up and on time.
- You must nominate your two-year-old in the December calf nomination as a cow if you wish to show her calf in the 2014 calf class as well as nominating her in her own class.
- Bull calves must be genomic tested using the Zoetis 50K test. The 50K results will be used to determine the final placing of the bulls.
